

MEASURE TYPE	MEASURE #	MEASURE NAME	MEASURE DESCRIPTION	POPULATION MEASURED	MEASURE TECHNICAL SPECIFICATION According to measure technical specifications updates, as applicable based on measure year	Performance Target*	MEASUREMENT PERIOD First Measurement Period = CY2025 Reporting Begins – CY 2026	MEASUREMENT AND REPORTING FREQUENCY	SAMPLING METHODOLOGY	DATA SUBMISSION DUE DATE
Quality - MLTSS	MLTSS-1 * (or HEDIS: LTSS-CAU)	Managed Long-Term Services and Supports Comprehensive Assessment and Update	The percentage of Medicaid MLTSS participants, aged 18 years and older, who have documentation of a comprehensive assessment, completed in a specified timeframe, which includes documentation of core and supplemental elements.	MLTSS Program participants	CMS Long-Term Services and Supports Quality Measures: Technical Specifications and Resource Manual (link below) (Or HEDIS Technical Specifications for Long -Term Services and Supports Measures)	Results of the first measurement period will establish baseline performance. Also in the first measurement period report, the state will submit to CMS for approval, performance targets and Quality Improvement Strategies (QIS) to achieve those targets for two of the measures and/or survey domains that are designated as mandatory for Money Follow the Person (MFP) demonstrations. MFP mandatory measures/survey domains are denoted with an asterisk.	January 1-December 31	Every Other Calendar Year	Other: As per measure specifications	September - December 2026 (in alignment with reporting requirement timeframes for Money Follow the Person demonstrations).
	MLTSS-2* (or HEDIS: LTSS-CPU)	Managed Long-Term Services and Supports Comprehensive Person-Centered Plan and Update	The percentage of Medicaid MLTSS participants, aged 18 years and older, who have documentation of an LTSS comprehensive person-centered plan, completed in a specified timeframe, which includes documentation of core and supplemental elements	MLTSS Program participants	CMS Long-Term Services and Supports Quality Measures: Technical Specifications and Resource Manual (link below) (Or HEDIS Technical Specifications for Long -Term Services and Supports Measures)	Results of the first measurement period will establish baseline performance. Also in the first measurement period report, the state will submit to CMS for approval, performance targets and Quality Improvement Strategies (QIS) to achieve those targets for two of the measures and/or survey domains that are designated as mandatory for Money Follow the Person (MFP) demonstrations. MFP mandatory measures/survey domains are denoted with an asterisk.	January 1-December 31	Every Other Calendar Year	Other: As per measure specifications	September - December 2026 (in alignment with reporting requirement timeframes for Money Follow the Person demonstrations).
	MLTSS-3 (or HEDIS: LTSS-CSP)	Managed Long-Term Services and Supports Shared Person-Centered Plan with Primary Care Provider	The percentage of Medicaid MLTSS participants, aged 18 years and older, with a person-centered plan transmitted to their PCP (or other documented medical care provider) identified by the participant within 30 days of its development.	MLTSS Program participants	CMS Long-Term Services and Supports Quality Measures: Technical Specifications and Resource Manual (link below) (Or HEDIS Technical Specifications for Long -Term Services and Supports Measures)	Results of the first measurement period will establish baseline performance. Also in the first measurement period report, the state will submit to CMS for approval, performance targets and Quality Improvement Strategies (QIS) to achieve those targets for two of the measures and/or survey domains that are designated as mandatory for Money Follow the Person (MFP) demonstrations. MFP mandatory measures/survey domains are denoted with an asterisk.	January 1-December 31	Every Other Calendar Year	Other: As per measure specifications	September - December 2026 (in alignment with reporting requirement timeframes for Money Follow the Person demonstrations).
	MLTSS-4 (or HEDIS:LTSS-RAC)	Managed Long-Term Services and Supports Reassessment and Person-Centered-Plan Update after Inpatient Discharge	The percentage of discharges from inpatient facilities for Medicaid MLTSS participants, aged 18 years and older, for whom a reassessment and person-centered-plan update occurred within 30 days following discharge.	MLTSS Program participants	CMS Long-Term Services and Supports Quality Measures: Technical Specifications and Resource Manual (link below) (Or HEDIS Technical Specifications for Long -Term Services and Supports Measures)	Results of the first measurement period will establish baseline performance. Also in the first measurement period report, the state will submit to CMS for approval, performance targets and Quality Improvement Strategies (QIS) to achieve those targets for two of the measures and/or survey domains that are designated as mandatory for Money Follow the Person (MFP) demonstrations. MFP mandatory measures/survey domains are denoted with an asterisk.	January 1-December 31	Every Other Calendar Year	Other: As per measure specifications	September - December 2026 (in alignment with reporting requirement timeframes for Money Follow the Person demonstrations).
	MLTSS-5	Screening, Risk Assessment, and Plan of Care to Prevent Future Falls	The percentage of Medicaid MLTSS participants age 18 and older who have documentation of screening for history of falls, problems with balance or gait, or both.	MLTSS Program participants	Long-Term Services and Supports (LTSS) Quality Measures Technical Specifications and Resource Manual	Results of the first measurement period will establish baseline performance. Also in the first measurement period report, the state will submit to CMS for approval, performance targets and Quality Improvement Strategies (QIS) to achieve those targets for two of the measures and/or survey domains that are designated as mandatory for Money Follow the Person (MFP) demonstrations. MFP mandatory measures/survey domains are denoted with an asterisk.	January 1-December 31	Every Other Calendar Year	Other: As per measure specifications	September - December 2026 (in alignment with reporting requirement timeframes for Money Follow the Person demonstrations).
		Screening, Risk Assessment, and Plan of Care to Prevent Future Falls	The percentage of Medicaid MLTSS participants age 18 and older with a documented history of falls (at least two falls or one fall with injury in the past year), who have documentation of a falls risk assessment and plan of care to prevent future falls	MLTSS Program participants	Long-Term Services and Supports (LTSS) Quality Measures Technical Specifications and Resource Manual	Results of the first measurement period will establish baseline performance. Also in the first measurement period report, the state will submit to CMS for approval, performance targets and Quality Improvement Strategies (QIS) to achieve those targets for two of the measures and/or survey domains that are designated as mandatory for Money Follow the Person (MFP) demonstrations. MFP mandatory measures/survey domains are denoted with an asterisk.	January 1-December 31			September - December 2026 (in alignment with reporting requirement timeframes for Money Follow the Person demonstrations).
	MLTSS-6*	Managed Long-Term Services and Supports Admission to a Facility from the Community	The number of admissions to a facility among Medicaid MLTSS participants, aged 18 years and older, residing in the community for at least one month. The number of short-term, medium-term, or long-term admissions is reported, per 1,000 participant months. Participant months reflect the total months each participant is enrolled in the program and residing in the community for at least one day of the month.	MLTSS Program participants	Long-Term Services and Supports (LTSS) Quality Measures Technical Specifications and Resource Manual	Results of the first measurement period will establish baseline performance. Also in the first measurement period report, the state will submit to CMS for approval, performance targets and Quality Improvement Strategies (QIS) to achieve those targets for two of the measures and/or survey domains that are designated as mandatory for Money Follow the Person (MFP) demonstrations. MFP mandatory measures/survey domains are denoted with an asterisk.	Prior Calendar Year: July 1–Current Calendar Year: December 31	Every Other Calendar Year	Other: As per measure specifications	September - December 2026 (in alignment with reporting requirement timeframes for Money Follow the Person demonstrations).
	MLTSS-7*	Managed Long-Term Services and Supports Minimizing Facility Length of Stay	The proportion of admissions to a facility among Medicaid MLTSS participants, aged 18 years and older, that result in successful discharge to the community (community residence for 60 or more days) within 100 days of admission.	MLTSS Program participants	Long-Term Services and Supports (LTSS) Quality Measures Technical Specifications and Resource Manual	Results of the first measurement period will establish baseline performance. Also in the first measurement period report, the state will submit to CMS for approval, performance targets and Quality Improvement Strategies (QIS) to achieve those targets for two of the measures and/or survey domains that are designated as mandatory for Money Follow the Person (MFP) demonstrations. MFP mandatory measures/survey domains are denoted with an asterisk.	Prior Calendar Year: July 1–Current Calendar Year: December 31	Every Other Calendar Year	Other: As per measure specifications	September - December 2026 (in alignment with reporting requirement timeframes for Money Follow the Person demonstrations).
	MLTSS-8*	Managed Long-Term Services and Supports Successful Transition after Long-Term Facility Stay	The proportion of long-term facility stays among Medicaid MLTSS participants, aged 18 years and older, that result in successful transitions to the community (community residence for 60 or more days).	MLTSS Program participants	Long-Term Services and Supports (LTSS) Quality Measures Technical Specifications and Resource Manual	Results of the first measurement period will establish baseline performance. Also in the first measurement period report, the state will submit to CMS for approval, performance targets and Quality Improvement Strategies (QIS) to achieve those targets for two of the measures and/or survey domains that are designated as mandatory for Money Follow the Person (MFP) demonstrations. MFP mandatory measures/survey domains are denoted with an asterisk.	Prior Calendar Year: July 1–Current Calendar Year: December 31	Every Other Calendar Year	Other: As per measure specifications	September - December 2026 (in alignment with reporting requirement timeframes for Money Follow the Person demonstration).
	HCBS-10	Self-Direction of Services Among Individuals Receiving Medicaid Managed Long-Term Services and Supports	Assesses the offer, and selection, of self-directed services among MLTSS adult enrollees who receive HCBS. The measure consists of two rates: A) Self-direction offer rate: Percentage of HCBS participants aged 18 and older enrolled in MLTSS plans and eligible for self-direction who were offered the option to self-direct their home and community-based services in the last 12 months. B) Self-direction opt-in rate: Percentage of HCBS participants aged 18 and older enrolled in MLTSS plans and eligible for self-direction who opted-in to self-direct their home and community-based services, among those who received an offer to self-direct in the last 12 months.	MLTSS Program participants	Self-Direction of Services Among Individuals Receiving Medicaid Managed Long-Term Services and Supports (HCBS-10) Technical Specifications Manual	Results of the first measurement period will establish baseline performance. Also in the first measurement period report, the state will submit to CMS for approval, performance targets and Quality Improvement Strategies (QIS) to achieve those targets for two of the measures and/or survey domains that are designated as mandatory for Money Follow the Person (MFP) demonstrations. MFP mandatory measures/survey domains are denoted with an asterisk.	January 1-December 31	Every Other Calendar Year	CMS is preparing a technical specifications package; anticipated to be available in 2025	September - December 2026 (in alignment with reporting requirement timeframes for Money Follow the Person demonstration).
	PCR-AD: HEDIS	Plan All-Cause Readmissions	The percentage of acute inpatient and observation stays during the measurement year that were followed by an unplanned acute readmission for any diagnosis within 30 days and the predicted probability of an acute readmission.	MLTSS Program participants	HEDIS Technical Specifications for Long -Term Services and Supports Measures	Results of the first measurement period will establish baseline performance. Also in the first measurement period report, the state will submit to CMS for approval, performance targets and Quality Improvement Strategies (QIS) to achieve those targets for two of the measures and/or survey domains that are designated as mandatory for Money Follow the Person (MFP) demonstrations. MFP mandatory measures/survey domains are denoted with an asterisk.	January 1-December 31	Every Other Calendar Year	Other: As per measure specifications	September - December 2026 (in alignment with reporting requirement timeframes for Money Follow the Person demonstration).

MEASURE TYPE	MEASURE NAME	MEASURE DESCRIPTION	Performance Target*	POPULATION MEASURED	TECHNICAL GUIDANCE	DATA SOURCE	SURVEY ADMINISTRATION PERIOD First Survey Administration Period = 2024/2025 or 2025/2026 Reporting Begins = CY 2026	REPORTING FREQUENCY	SAMPLING METHODOLOGY	SUBMISSION of HCBS CAHPS RAW SURVEY DATA into DATABASE DUE DATE **
HCBS CAHPS: Consumer Assessment of Healthcare Providers and Systems Home and Community Based Services (HCBS CAHPS)	HCBS CAHPS: Choosing Services that Matter to You*	Composite measure derived from top-box scores of questions 56 and 57 on the Consumer Assessment of Healthcare Providers and Systems Home and Community-based Services (HCBS CAHPS) Survey for HCBS participants 18 years of age and older: •Question 56: In the last 3 months, did your [program-specific term for "service plan"] include [none, some, most, all] of the things that are important to you? •Question 57: In the last 3 months, did you feel [personal assistance/behavioral health staff] knew what's on your [program-specific term for "service plan"], including the things that are important to you?	Results of the first measurement period will establish baseline performance. Also in the first measurement period report, the state will submit to CMS for approval, performance targets and Quality Improvement Strategies (QIS) to achieve those targets for two of the measures and/or survey domains that are designated as mandatory for Money Follow the Person (MFP) demonstrations. MFP mandatory measures/survey domains are denoted with an asterisk.	Adults receiving HCBS through 1115 MLTSS	https://www.medicaid.gov/medicaid/quality-of-care/quality-of-care-performance-measurement/cahps-home-and-community-based-services-survey/index.html	Survey Data	HCBS CAHPS can be fielded during the 2024-2025 or 2025-2026 reporting cycles. This flexibility will allow states that conduct multiple surveys to stagger their administration.	Every Other Demonstration Year	As per survey specifications	September - December 2026 (in alignment with reporting requirement timeframes for Money Follow the Person demonstrations).
	HCBS CAHPS: Community Inclusion and Empowerment*	Composite measure derived from top-box scores of questions 75, 77, 78, 79, 80 and 81 on the HCBS CAHPS Survey for Medicaid HCBS participants 18 years of age and older: •Question 75: In the last 3 months, when you wanted to, how often could you get together with these family members who live nearby? •Question 77: In the last 3 months, when you wanted to, how often could you get together with these friends who live nearby? •Question 78: In the last 3 months, when you wanted to, how often could you do things in the community that you like? •Question 79: In the last 3 months, did you need more help than you get from [personal assistance/behavioral health staff] to do things in your community? •Question 80: In the last 3 months, did you take part in deciding what you do with your time each day? •Question 81: In the last 3 months, did you take part in deciding when you do things each day—for example, deciding when you get up, eat, or go to bed?	Results of the first measurement period will establish baseline performance. Also in the first measurement period report, the state will submit to CMS for approval, performance targets and Quality Improvement Strategies (QIS) to achieve those targets for two of the measures and/or survey domains that are designated as mandatory for Money Follow the Person (MFP) demonstrations. MFP mandatory measures/survey domains are denoted with an asterisk.	Adults receiving HCBS through 1115 MLTSS	https://www.medicaid.gov/medicaid/quality-of-care/quality-of-care-performance-measurement/cahps-home-and-community-based-services-survey/index.html	Survey Data	HCBS CAHPS can be fielded during the 2024-2025 or 2025-2026 reporting cycles. This flexibility will allow states that conduct multiple surveys to stagger their administration.	Every Other Demonstration Year	As per survey specifications	September - December 2026 (in alignment with reporting requirement timeframes for Money Follow the Person demonstrations).
	HCBS CAHPS: Transportation to Medical Appointments*	Composite measure derived from top-box scores of questions 59, 61 and 62 on the HCBS CAHPS Survey for Medicaid HCBS participants 18 years of age and older: •Question 59: Medical appointments include seeing a doctor, a dentist, a therapist, or someone else who takes care of your health. In the last 3 months, how often did you have a way to get to your medical appointments? •Question 61: In the last 3 months, were you able to get in and out of this ride easily? •Question 62: In the last 3 months, how often did this ride arrive on time to pick you up?	Results of the first measurement period will establish baseline performance. Also in the first measurement period report, the state will submit to CMS for approval, performance targets and Quality Improvement Strategies (QIS) to achieve those targets for two of the measures and/or survey domains that are designated as mandatory for Money Follow the Person (MFP) demonstrations. MFP mandatory measures/survey domains are denoted with an asterisk.	Adults receiving HCBS through 1115 MLTSS	https://www.medicaid.gov/medicaid/quality-of-care/quality-of-care-performance-measurement/cahps-home-and-community-based-services-survey/index.html	Survey Data	HCBS CAHPS can be fielded during the 2024-2025 or 2025-2026 reporting cycles. This flexibility will allow states that conduct multiple surveys to stagger their administration.	Every Other Demonstration Year	As per survey specifications	September - December 2026 (in alignment with reporting requirement timeframes for Money Follow the Person demonstrations).
	HCBS CAHPS: Physical Safety*	Measure derived from top-box score of question 71 on the HCBS CAHPS Survey for Medicaid HCBS participants 18 years of age and older: •Question 71: In the last 3 months, did any [staff] hit you or hurt you?	Results of the first measurement period will establish baseline performance. Also in the first measurement period report, the state will submit to CMS for approval, performance targets and Quality Improvement Strategies (QIS) to achieve those targets for two of the measures and/or survey domains that are designated as mandatory for Money Follow the Person (MFP) demonstrations. MFP mandatory measures/survey domains are denoted with an asterisk.	Adults receiving HCBS through 1115 MLTSS	https://www.medicaid.gov/medicaid/quality-of-care/quality-of-care-performance-measurement/cahps-home-and-community-based-services-survey/index.html	Survey Data	HCBS CAHPS can be fielded during the 2024-2025 or 2025-2026 reporting cycles. This flexibility will allow states that conduct multiple surveys to stagger their administration.	Every Other Demonstration Year	As per survey specifications	September - December 2026 (in alignment with reporting requirement timeframes for Money Follow the Person demonstrations).
	HCBS CAHPS: Personal Safety and Respect*	Composite measure derived from top-box scores of questions 64, 65 and 66 on the HCBS CAHPS Survey for Medicaid HCBS participants 18 years of age and older: •Question 64: In the last 3 months, was there a person you could talk to if someone hurt you or did something to you that you didn't like? •Question 65: In the last 3 months, did any [personal assistance/behavioral health staff, homemakers, or your case managers] take your money or your things without asking you first? •Question 66: In the last 3 months, did any [staff] yell, swear, or curse at you?	Results of the first measurement period will establish baseline performance. Also in the first measurement period report, the state will submit to CMS for approval, performance targets and Quality Improvement Strategies (QIS) to achieve those targets for two of the measures and/or survey domains that are designated as mandatory for Money Follow the Person (MFP) demonstrations. MFP mandatory measures/survey domains are denoted with an asterisk.	Adults receiving HCBS through 1115 MLTSS	https://www.medicaid.gov/medicaid/quality-of-care/quality-of-care-performance-measurement/cahps-home-and-community-based-services-survey/index.html	Survey Data	HCBS CAHPS can be fielded during the 2024-2025 or 2025-2026 reporting cycles. This flexibility will allow states that conduct multiple surveys to stagger their administration.	Every Other Demonstration Year	As per survey specifications	September - December 2026 (in alignment with reporting requirement timeframes for Money Follow the Person demonstrations).
	HCBS CAHPS: Staff are Reliable and Helpful	Composite measure derived from top-box scores of questions 13, 14, 15, 19, 37 and 38 on the HCBS CAHPS Survey for Medicaid HCBS participants 18 years of age and older: •Question 13: In the last 3 months, how often did [personal assistance/behavioral health staff] come to work on time? •Question 14: In the last 3 months, how often did [personal assistance/behavioral health staff] work as long as they were supposed to? •Question 15: Sometimes staff cannot come to work on a day that they are scheduled. In the last 3 months, when staff could not come to work on a day that they were scheduled, did someone let you know that [personal assistance/behavioral health staff] could not come that day? •Question 19: In the last 3 months, how often did [personal assistance/behavioral health staff] make sure you had enough personal privacy when you dressed, took a shower, or bathed? •Question 37: In the last 3 months, how often did [homemakers] come to work on time? •Question 38: In the last 3 months, how often did [homemakers] work as long as they were supposed to?	Results of the first measurement period will establish baseline performance. Also in the first measurement period report, the state will submit to CMS for approval, performance targets and Quality Improvement Strategies (QIS) to achieve those targets for two of the measures and/or survey domains that are designated as mandatory for Money Follow the Person (MFP) demonstrations. MFP mandatory measures/survey domains are denoted with an asterisk.	Adults receiving HCBS through 1115 MLTSS	https://www.medicaid.gov/medicaid/quality-of-care/quality-of-care-performance-measurement/cahps-home-and-community-based-services-survey/index.html	Survey Data	HCBS CAHPS can be fielded during the 2024-2025 or 2025-2026 reporting cycles. This flexibility will allow states that conduct multiple surveys to stagger their administration.	Every Other Demonstration Year	As per survey specifications	September - December 2026 (in alignment with reporting requirement timeframes for Money Follow the Person demonstrations).
	HCBS CAHPS: Staff Listen and Communicate Well	Composite measure derived from top-box scores of questions 28, 29, 30, 31, 32, 33, 41, 42, 43, 44, and 45 on the HCBS CAHPS Survey for Medicaid HCBS participants 18 years of age and older. These are six distinct measures that are presented separately: •Question 28: In the last 3 months, how often did [personal assistance/behavioral health staff] treat you with courtesy and respect? •Question 29: In the last 3 months, how often were the explanations [personal assistance/behavioral health staff] gave you hard to understand because of an accent or the way [personal assistance/behavioral health staff] spoke English? •Question 30: In the last 3 months, how often did [personal assistance/behavioral health staff] treat you the way you wanted them to? •Question 31: In the last 3 months, how often did [personal assistance/behavioral health staff] explain things in a way that was easy to understand? •Question 32: In the last 3 months, how often did [personal assistance/behavioral health staff] listen carefully to you? •Question 33: In the last 3 months, did you feel [personal assistance/behavioral health staff] knew what kind of help you needed with everyday activities, like getting ready in the morning, getting groceries, or going places in your community? •Question 41: In the last 3 months, how often did [homemakers] treat you with courtesy and respect? •Question 42: In the last 3 months, how often were the explanations [homemakers] gave you hard to understand because of an accent or the way the [homemakers] spoke English? •Question 43: In the last 3 months, how often did [homemakers] treat you the way you wanted them to?	Results of the first measurement period will establish baseline performance. Also in the first measurement period report, the state will submit to CMS for approval, performance targets and Quality Improvement Strategies (QIS) to achieve those targets for two of the measures and/or survey domains that are designated as mandatory for Money Follow the Person (MFP) demonstrations. MFP mandatory measures/survey domains are denoted with an asterisk.	Adults receiving HCBS through 1115 MLTSS	https://www.medicaid.gov/medicaid/quality-of-care/quality-of-care-performance-measurement/cahps-home-and-community-based-services-survey/index.html	Survey Data	HCBS CAHPS can be fielded during the 2024-2025 or 2025-2026 reporting cycles. This flexibility will allow states that conduct multiple surveys to stagger their administration.	Every Other Demonstration Year	As per survey specifications	September - December 2026 (in alignment with reporting requirement timeframes for Money Follow the Person demonstrations).
	HCBS CAHPS: Unmet Needs Composite Measure	Composite measure derived from top-box scores of questions 18, 22, 25, 27, and 40 on the HCBS CAHPS Survey for Medicaid HCBS participants 18 years of age and older. These are six distinct measures that are presented separately: •Question 18: If respondents indicate that they need but do not always receive help to get dressed, take a shower, or bathe, they are asked: In the last 3 months, was this because there were no [personal assistance/behavioral health staff] to help you? •Question 22: If respondents indicate that they need but do not always receive help with meals, such as help making or cooking meals or help eating, they are asked: In the last 3 months, was this because there were no [personal assistance/behavioral health staff] to help you? •Question 25: If respondents indicate that they need but do not always receive help taking their medicines, such as reminders to take a medicine, help pouring them, or setting up their pills, they are asked: In the last 3 months, was this because there were no [personal assistance/behavioral health staff] to help you? •Question 27: In the last 3 months, did you get all the help you needed with toileting from [personal assistance/behavioral health staff] when you needed it? •Question 40: If respondents indicate that they do not always receive help with household tasks, like cleaning and laundry, they are asked: In the last 3 months, was this because there were no [homemakers] to	Results of the first measurement period will establish baseline performance. Also in the first measurement period report, the state will submit to CMS for approval, performance targets and Quality Improvement Strategies (QIS) to achieve those targets for two of the measures and/or survey domains that are designated as mandatory for Money Follow the Person (MFP) demonstrations. MFP mandatory measures/survey domains are denoted with an asterisk.	Adults receiving HCBS through 1115 MLTSS	https://www.medicaid.gov/medicaid/quality-of-care/quality-of-care-performance-measurement/cahps-home-and-community-based-services-survey/index.html	Survey Data	HCBS CAHPS can be fielded during the 2024-2025 or 2025-2026 reporting cycles. This flexibility will allow states that conduct multiple surveys to stagger their administration.	Every Other Demonstration Year	As per survey specifications	September - December 2026 (in alignment with reporting requirement timeframes for Money Follow the Person demonstrations).
