

## Frequently Asked Questions

### How can the project help me?

A transition coordinator will:

- Ask you if you want to move to the community
- Explain the available services
- Review your medical record
- Make sure you understand, and
- Work with you to plan the move.

### What if I have some problems with my new home?

The transition coordinator will:

- Help you with any problems.
- Talk with you to help you make decisions.
- Help you find another place to live, if you need to move.

### What is the cost to me?

- Most participants pay nothing.
- Some participants with a high income have a Medicaid cost share. Your transition coordinator will work with you and can provide more detailed information.
