The state will apply Modified Adjusted Gross Income (MAGI)-based methodologies as described below, and consistent with 42 CFR 435.603.

### A. Household Composition

- In determining family size for the eligibility determination of a pregnant woman, she is counted as herself plus each of the children she is expected to deliver.
- In determining family size for the eligibility determination of the other individuals in a household that includes a pregnant woman:
  - a. The pregnant woman is counted just as herself.
  - b. The pregnant woman is counted as herself, plus one.
  - c. The pregnant woman is counted as herself, plus the number of children she is expected to deliver.
- In establishing household composition under the rules for non-filers set forth at 42 CFR 435.603(f)(3), the state elects the following age for children:
  - a. Age 19
  - b. Age 19, or in the case of full-time students, age 21
