42 CFR 433.33 AT-79-29 AT-80-34			(a)		te funds are used in both assistance administration.	
с	ł			۲.	State funds are used to pay all of the non-Federal share of total expenditures under the plan.	
					There is local participation. State funds are used to pay not less than 40 percent of the non-Federal share of the total expenditures under the	

basis which assures that lack of adequate funds from local sources will not result in lowering the amount, duration, scope or quality of care and services or level of administration under the plan in any part of the State.
(b) State and Federal funds are apportioned among the political subdivisions of the

plan. There is a method of

apportioning Federal and State funds among the political subdivisions of the State on an equalization or other

State on a basis consistent with equitable treatment of individuals in similar circumstances throughout the State.
