

Learning Management System (LMS)

The person-centered thinking eLearn training is housed and accessed via IntellectAbility's LMS. This training is a work at your own pace model. Learners have unlimited access to the LMS to take and re-take the training as often as they like. Below are the steps to gain access to the LMS.

1. Sign up with participating health plan or organization/agency.
 - a. Assigned LMS administrator from participating health plan or organization/agency will submit participant information including name and e-mail address to IntellectAbility.
 - b. IntellectAbility will create an account and send the log in information with instructions via e-mail directly to the participant.
 - i. The e-mail will be coming from IntellectAbility Academy.
 - ii. If you don't see the e-mail, please check your junk/spam folders.
2. Complete the six (6) e-Learning modules. The web address is: <https://hidhs.intellectability.com/>.
3. For questions, please contact your assigned LMS administrator.
4. Should you need additional technical support, please email: learnhelp@replacingrisk.com
