

Communication #0 – Coming Soon!

Changes to the Hawai'i Early and Periodic Screening, Diagnostic, and Treatment (EPSDT) benefit are coming soon!

- As of January 1, 2022, the Hawaii Medicaid EPSDT periodicity schedule will match the American Academy of Pediatrics (AAP) *Bright Futures Periodicity Schedule*.
- The new schedule adds EIGHT reimbursable visits at 30m, 7y, 9y, 11y, 13y, 15y, 17y, and 19y. This means the new periodicity schedule allows reimbursable visits at the following ages:

<1m	30m (new!)	12y
1m	3y	13y (new!)
2m	4y	14y
4m	5y	15y (new!)
6m	6y	16y
9m	7y (new!)	17y (new!)
12m	8y	18y
15m	9y (new!)	19y (new!)
18m	10y	20y
24m	11y (new!)	

- New DHS 8015/8016 forms will reflect the new periodicity schedule and be available online.

More information is coming soon.
