Med-QUEST Division

QI HEALTH PLAN MANUAL

APPENDICES

TABLE OF CONTENTS

Table of Contents

APPENDIX A: Member Enrollment Packet Requirements

A) This packet will include the following:

1. A confirmation of enrollment;
2. A Health Plan membership card that includes the Member number, which does not have to be the same as the Medicaid ID number which has been assigned by DHS;
3. A Member Handbook as described in RFP-MQD-2021-008 Section 9.4.E;
4. A flyer or other handout that is separate from the Member Handbook that includes:
    a. An explanation of the role of the Primary Care Provider (PCP) and the procedures to be followed to obtain needed services;
    b. Information explaining that the Health Plan will provide assistance in selecting a PCP and how the Member can receive this assistance; and
    c. Information explaining that the Health Plan will auto-assign a Member to a PCP if the Member does not select a PCP within ten (10) days;
5. A PCP selection form;
6. A flyer or other handout that is separate from the Member Handbook that includes:
    a. An explanation of the Member's rights, including those related to the grievance and appeals procedures;

b. A description of Member responsibilities, including an explanation of the information a Member must provide to the Health Plan and DHS upon changes in the status of the Member including marriage, divorce, birth of a child, adoption of a child, death of a spouse or child, acceptance of a job, obtaining other health insurance, change in address and telephone number, etc.;

c. Information on how to obtain advance directives; and

d. How to access assistance for those with limited English proficiency.

B) A provider directory as described in RFP-MQD-2021-008 Section 9.4.G that includes the names, location, telephone numbers of, and non-English languages spoken by contracted providers in the Member's service area including identification of providers that are not accepting new patients. The Health Plan shall make the provider directory available online and in a paper version.

APPENDIX B: Member Handbook Requirements

A) Pursuant to the requirements set forth in 42 CFR Section 438.10, the Member Handbook will include, but not be limited to:

1. A table of contents;
2. Information about the roles and responsibilities of the Member;
3. General information on managed care;
4. Information about the role and selection of the PCP including auto-assignment;
5. How to change your PCP;
6. Information on how to contact the toll-free call center both during and outside of business hours;
7. Information about reporting changes in family status and family composition;
8. Appointment procedures including the minimum appointment standards as identified in RFP-MQD-2021-008 Section 8.1.C;
9. Information that a provider cannot charge the Member a "no-show" fee;
10. Information on benefits and services that includes basic definitions;
11. Information on how to access services, including EPSDT services, non-emergency transportation services and maternity and family planning services;
12. An explanation of any service limitations or exclusions from coverage;

13. Information on how to obtain services that the Health Plan does not cover because of moral or religious objections, if applicable;
14. Benefits provided by the Health Plan not covered under the Contract;
15. The Health Plan's responsibility to coordinate care;
16. Information on services that are not provided by the Health Plan that the Member may have access to (i.e., early intervention program) and how to obtain these services including transportation;
17. A notice stating that the Health Plan will be liable only for those services authorized by the Health Plan;
18. A description of all pre-certification, prior authorization, or other requirements for treatments and services;
19. The policy on referrals for specialty care and for other covered services not furnished by the Member's PCP;
20. Information on how to obtain services when the Member is out-of-state or off-island;
21. Information on cost-sharing and other fees and charges;
22. A statement that failure to pay for non-covered services will not result in a loss of Medicaid benefits;
23. Notice of all appropriate mailing addresses and telephone numbers, to be utilized by Members seeking information or authorization, including the Health Plan's toll-free telephone line;

24. A description of Member rights and responsibilities as described in RFP-MQD-2021-008 Section 9.4.F;
25. Information on advance directives;
26. Information on how to access interpreter and sign language services, how to obtain information in alternative languages and formats, and that these services are available at no charge;
27. Information on the extent to which, and how, after-hours and emergency services are provided, including the following:
    a. What constitutes an urgent and emergency medical condition, emergency services, post-stabilization services in accordance with 42 CFR 422.113(c), and availability of a twenty-four (24) hour triage nurse;
    b. The fact that prior authorization is not required for emergency services;
    c. The process and procedures for obtaining emergency services, including the use of the 911 telephone systems or its local equivalent;
    d. The locations of any emergency settings and other locations at which providers and hospitals furnish emergency services and post-stabilization services covered herein; and
    e. The fact that a Member has a right to use any hospital or other appropriate healthcare setting for emergency services.

28. Information on the Member grievance system policies and procedures, as described in RFP-MQD-2021-008 Section 9.5. This description must include the following:

    a. The right to file a grievance and appeal with the Health Plan;

    b. The requirements and timeframes for filing a grievance or appeal with the Health Plan;

    c. The availability of assistance in filing a grievance or appeal with the Health Plan;

    d. The toll-free numbers that the Member can use to file a grievance or an appeal with the Health Plan by phone;

    e. The right to a State administrative hearing, the method for obtaining a hearing, and the rules that govern representation at the hearing;

    f. Notice that if the Member files an appeal or a request for a State administrative hearing within the timeframes specified for filing, the Member may request continuation of benefits as described in RFP-MQD-2021-008 Section 9.5.K and may be required to pay the cost of services furnished while the appeal is pending, if the final decision is adverse to the Member; and

    g. Any appeal rights that the State chooses to make available to providers to challenge the failure of the Health Plan to cover a service.

29. Additional information that is available upon request, including information on the structure and operation of the Health Plan and information on physician incentive plans.

APPENDIX C: Provider Contract Requirements

A) All contracts between providers and the Health Plan shall be in writing. The Health Plan's written provider contracts will:

1. Specify covered populations and specifically cite the QI program;
2. Specify covered services;
3. Specify rates of payment and applicable VBP arrangements;
4. Prohibit the provider from seeking payment from the Member for any covered services provided to the Member within the terms of the contract and require the provider to look solely to the Health Plan for compensation for services rendered, with the exception of cost sharing pursuant to the Hawai'i Medicaid State Plan;
5. Prohibit the provider from imposing a no-show fee for QI program Members who were scheduled to receive a Medicaid-covered service;
6. Specify that in the case of newborns, the provider will not look to any individual or entity other than the QI or the mother's commercial Health Plan for any payment owed to providers related to the newborn;
7. Require the provider to cooperate with the Health Plan's quality improvement activities;
8. Require that providers meet all applicable State and Federal regulations, including but not limited to all applicable HAR sections, and Medicaid requirements for licensing, certification, and recertification;

9. Require the provider to cooperate with the Health Plan's utilization review and management activities;

10. Not prohibit a provider from discussing treatment or non-treatment options with Members that may not reflect the Health Plan's position or may not be covered by the Health Plan;

11. Not prohibit, or otherwise restrict, a provider from acting within the lawful scope of practice, from advising or advocating on behalf of a Member for the Member's health status, medical care, or treatment or non-treatment options, including any alternative treatments that might be self-administered;

12. Not prohibit, or otherwise restrict, a provider acting within the lawful scope of practice from advocating on behalf of the Member to obtain necessary healthcare services in any grievance system or utilization review process, or individual authorization process;

13. Require providers to meet appointment waiting time standards pursuant to the terms of the RFP-MQD-2021-008 in Section 8.1.C;

14. Provide for continuity of treatment in the event a provider's participation terminates during the course of a Member's treatment by that provider except in the case of adverse reasons on the part of the provider;

15. Require that providers maintain the confidentiality of Member's information and records as required by law, including, but not limited to, privacy and security regulations adopted under HIPAA;

16. Keep any records necessary to disclose the extent of services the provider furnishes the Members;

17. Specify that CMS, the State Medicaid Fraud Control Unit, and DHS or its respective designee will have the right to inspect, evaluate, and audit any pertinent books, financial records, medical records, lab results, documents, papers, and records of any provider involving financial transactions related to this Contract and for the monitoring of quality of care being rendered without the specific consent of the Member or the provider;

18. Require that provider comply with disclosure requirements identified in accordance with 42 CFR Part 455, Subpart B found in Section 8.2;

19. Require providers that are compensated by capitation payments to submit complete and accurate encounter data on a monthly basis and make available all medical records to support encounter data without the specific consent of the Member upon request from the Health Plan, DHS, or its designee for the purpose of validating encounters;

20. Require provider to certify claim/encounter submissions to the plan as accurate and complete;

21. Require the provider to provide medical records or access to medical records to the Health Plan and DHS or its designee, within sixty (60) days of a request. Refusal to provide medical records, access to medical records or inability to produce the medical records to support the claim/encounter will result in recovery of payment;

22. Include the definition and standards for medical necessity,

pursuant to the definition in RFP-MQD-2021-008 Section 2.2;

23. Specify acceptable billing and coding requirements;

24. Require that providers comply with the Health Plan's culturalcompetency requirements;

25. Require that the provider submit to the Health Plan any marketing materials developed and distributed by the providerrelated to the QI program;

26. Require that the provider maintain the confidentiality of Members' information and records as required by the RFP-MQD-2021-008 and in Federal and State law, including but not limitedto:

    a. The Administration Simplification (AS) provisions of HIPAA, Public Law 104-191 and the regulations promulgated thereunder, including but not limited to 45 CFR Parts 160, 162, and 164, if the provider is a coveredentity under HIPAA;

    b. 42 CFR Part 431 Subpart F;

    c. Chapter 17-1702, HAR;

    d. Section 346-10, HRS;

    e. 42 CFR Part 2;

    f. Section 334-5, HRS; and

    g. Chapter 577A, HRS.

27. Require that providers comply with 42 CFR Part 434 and 42 CFRSection 438.6, if applicable;

28. Require that providers not employ or subcontract with

individuals or entities whose owner, those with controlling interest, or managing employees are on any state or federalexclusion lists;

29. Prohibit providers from making referrals for designated health services to healthcare entities with which the provider or a Member of the provider's family has a financial relationship asdefined in RFP-MQD-2021-008 Section 2.2;
30. Require providers of transitioning Members to cooperate in all respects with the Members' prior providers to assure the best health outcomes for Members;
31. Require the provider to comply with corrective action plans initiated by the Health Plan or DHS;
32. Specify the provider's responsibilities regarding third party liability;
33. Require the provider to comply with the Health Plan's compliance plan including all fraud and abuse requirements and activities;
34. Require that providers accept Members for treatment, unless theprovider applies to the Health Plan for a waiver of this requirement;
35. Require that the provider provides services without regard to race, color, creed, ancestry, sex, including gender identity or expression, sexual orientation, religion, health status, income status, or physical or mental disability;
36. Require that providers offer hours of operation that are no less than the hours of operation offered to commercial members or, ifthe provider has no commercial Members, that the hours of operation are comparable to hours offered to recipients under

Medicaid fee-for-service;

37. Require that providers offer access to interpretation services for Members that have a limited English proficiency (LEP) at no costto the Member, and to document the offer and provision of interpreter services to the same extent as the Health Plan under the Contract;

38. Require that providers offer access to auxiliary aids and servicesat no cost for Members living with disabilities, and to document the offer and provision of auxiliary aids to the same extent as the Health Plan under the Contract;

39. Include a statement that the State and the Health Plan Members will bear no liability for the Health Plan's failure or refusal to pay valid claims of subcontractors or providers for covered services;

40. Include a statement that the provider will accept Health Plan payment in full and cannot charge the patient for any cost of a

    Health Plan-covered service whether or not the service was reimbursed by the Health Plan;

41. Include a statement that the State and the Health Plan Memberswill bear no liability for services provided to a Member for which the State does not pay the Health Plan;

42. Include a statement that the State and the Health Plan Members will bear no liability for services provided to a Member for which the plan or State does not pay the individual or healthcare provider that furnishes the services under a contractual, referral,or other arrangement to the extent that the payments are in excess of the amount that the Member would owe if the Health Plan provided the services directly;

43. Require the provider to secure and maintain all necessary liability insurance and malpractice coverage as is necessary to protect the Health Plan's Members and the Health Plan;

44. Require the provider to secure and maintain automobile insurance when transporting Members, if applicable;

45. Require that the providers use the definition for emergency medical condition included in RFP-MQD-2021-008 Section 2.2;

46. Require that if the provider will be offering EPSDT services, the provider complies with all EPSDT requirements;

47. Require that the provider provides copies of medical records to requesting Members and allows them to be amended as specifiedin 45 CFR Part 164, HIPAA, or any other applicable Federal or State law;

48. Require that the providers provide record access to any authorized DHS personnel or personnel contracted by DHS without Member authorization so long as the access to the records is required to perform the duties of the Contract with theState and to administer the QI programs;

49. Require that the provider complies with Health Plan standards that provide DHS or its designee(s) prompt access to Members'medical records whether electronic or paper;

50. Require that the providers coordinate with the Health Plan in transferring medical records (or copies) when a Member changesPCPs;

51. Require that the providers comply with the advance directives requirements for hospitals, nursing facilities, providers of home and health care, hospices, and HMOs specified in 42 CFR Part

489, subpart I, and 42 CFR Section 417.436(d);

52. Require all Medicaid-related records be retained in accordance with 42 CFR Section 438.3(u) for a minimum of ten (10) years after the last date of entry in the records. For minors, records must be preserved and maintained during the period of minority plus a minimum of ten (10) years after the minor reaches the age of majority;

53. Require that the provider complies with all credentialing and re-credentialing activities;

54. Require that the providers refund any payment received from a resident or family member (in excess of share of cost) on behalfof the Member for the prior coverage period;

55. Require that the providers submit annual cost reports to DHS, if applicable;

56. Require that the providers comply with all requirements regarding when they may bill a Member or assess charges asdescribed in RFP-MQD-2021-008 Section 7.2.A;

57. Require that the provider is licensed in good standing in theState of Hawai'i; and

58. Require that providers (if they will be providing vaccines to children) enroll and complete appropriate forms for the VaccinesFor Children (VFC) program, include information on any VFC vaccinations provided in the Member's medical record, and report all available vaccination information on Members to the Health Plan, including VFC vaccinations.

59. Require provider to report capitation payments or other overpayments in excess of amounts specified in the

Contractwithin sixty (60) calendar days when identified.

60. To allow same day insertion of long acting reversible contraceptive (LARC) devices requested by a Member, the HealthPlan will reimburse non-FQHC providers for all formulary LARC devices supplied by the provider in addition to any capitation, visit, or other global reimbursement rate.

61. Require that the Providers report adverse events related to Members' health care for various special populations including but not limited to Long-Term Services and Supports, Home andCommunity Integrated Services.

B) In addition, the provider contracts for providers who are serving asPCPs (including specialists acting as PCP) will include the following:

1. A requirement that the provider be responsible for supervising, coordinating, and providing all primary care to each assigned Member;

2. A requirement that the provider coordinates and initiatesreferrals for specialty care;

3. A requirement that the provider maintains continuity of each Member's healthcare and maintains the Member's health record;

C) The provider contract for Non-Emergency Transportation Provider(NEMT) shall include but not limited to the following:

1. The Each provider and individual driver is not excluded from participation in any federal health care program (as defined in section 1128B (F) or the Act) and is not listed on the exclusion list of the Inspector General of the Department of Health and Human Services;

2. Each such individual driver has a valid driver's license;

3. Each such provider has in place a process to address any violation of a state drug law;

4. Each such provider has in place a process to disclose to the state Medicaid program the driving history, including any traffic violations, of each such individual driver employed by such provider, including any traffic violations.

D) Notably, these requirements apply to transportation network companies (such as, without endorsement or limitation, Uber, Lyftand other "ride sharing" companies) as well as individual drivers. However, this provision excludes those providers that are public transit authorities.

APPENDIX D: Provider Manual Requirements

A) The Health Plan will include, at a minimum, the following information in the provider manual:

1. A table of contents;
2. An introduction that explains the Health Plan's organization and administrative structure, including an overview of the Health Plan's provider services department, function, and how they may be reached;
3. Provider responsibilities and the Health Plan's expectations of the provider;
4. A listing and description of covered and non-covered services, requirements, and limitations;
5. Information about appropriate and inappropriate utilization of emergency department services as well as the definitions of emergency medical condition and emergency medical services as provided in RFP-MQD-2021-008 Section 2.2;
6. Health Plan fraud and abuse activities, including how to report suspected fraud and/or abuse;
7. Appointment and waiting time standards as described in RFP-MQD-2021-008 Section 8.1.C;
8. Formulary information which will be updated in advance of the change and sent to the providers;
9. The description of the referral process which explains the services requiring referrals and how to obtain referrals;

10. A description of the prior authorization (PA) process, including the services requiring PA and how to obtain PAs;
11. A description of who may serve as a PCP as described in RFP-MQD-2021-008 Section 8.1.E;
12. Applicable criteria for specialists or other healthcare practitioners to serve as PCPs for Members with chronic conditions as described in RFP-MQD-2021-008 Section 8.1.E;
13. The description of the roles and responsibilities of the PCP and PCMH, including:
    a. Serving as an ongoing source of primary care for the Member, including supervising, coordinating, and providing all primary care to the Member;
    b. Being primarily responsible for coordinating other healthcare services furnished to the Member, including;
        1) Coordinating and initiating referrals to specialty care (both in-network and out-of-network);
        2) Maintaining continuity of care; and
        3) Maintaining the Member's medical record (this includes documentation of services provided by the PCP as well as any specialty services).
14. Information on the stepped care approach and goals to enhance care;
15. Information on the Health Plan's policies and procedures forchanging PCPs, including:
    a. The process for changing PCPs, (e.g., whether the

Member may make the request by phone, etc.); and

b. When PCP changes are effective.

16. Information on the availability of health coordination and how toaccess these services;
17. The description of the role of care and service coordinationteams and the Hale Ola;
18. The descriptions of the availability of programs that support Members and providers including, but not limited to CIS, CoCM,the Hales, RHPs, and the Regional Enhanced Referral Network;
19. The description of Members' rights and responsibilities as identified in RFP-MQD-2021-008 Section 9.4.F;
20. A description of cost sharing responsibilities;
21. A description of reporting requirements, including encounterdata requirements, if applicable;
22. Reimbursement information, including reimbursement for Members eligible for both Medicare and Medicaid (dual eligible), or Members with other insurance;
    a. A description of VBP, the importance of shifting to a VBP model and an overview of associated requirements when a provider elects to participate;
23. Explanation of remittance advices;
24. A statement that specifies that the provider may not bill the Member in the event that a provider fails to follow Health Planprocedures resulting in nonpayment;
25. The description of the exceptional circumstance when a

providermay bill a Member or assess charges or fees, as follows:

a. If a Member self-refers to a specialist or other provider within the network without following Health Plan procedures (e.g., without obtaining prior authorization) and the Health Plan denies payment to the provider, the provider may bill the Member if the provider provided the Member with an Advance Beneficiary Notice of non-coverage; and

b. If a provider bills the Member for non-covered services, for exceeding established limits of coverage, or for self-referrals, the provider will inform the Member and obtainprior agreement from the Member regarding the cost of the procedure and the payment terms at time of service;

26. A description of the Health Plan's grievance system process andprocedures for Members which will include, at a minimum:

a. The Member's right to file grievances and appeals with requirements and time frames for filing;

b. The Member's right to a State grievance review;

c. The Member's right to a State administrative hearing, how to obtain a hearing, and rules on representation at a hearing;

d. The availability of assistance in filing a grievance or anappeal;

e. The Member's right to have a provider or authorized representative file a grievance and/or an appeal on his or

her behalf, provided he or she has provided consent to doso;

f. The toll-free numbers to file a grievance or an appeal;and

g. When an appeal or hearing has been requested by the Member, the right of a Member to receive benefits whilethe appeal or hearing is pending and that the Member may be held liable for the costs of those benefits if the Health Plan's adverse action is upheld.

27. A description of the provider grievance system including how to file a grievance or appeal;

28. A description of how the provider can access language interpretation, auxiliary aids, sign language services, and specialized communication for its Members (e.g., Braille, translation in a language other than English, etc.);

29. A description of the provider's responsibility for continuity of treatment in the event a provider's participation with the Health Plan terminates during the course of a Member's treatment by that provider;

30. A description of credentialing and re-credentialing requirements and activities;

31. A description of the Health Plan's QAPI and the provider'sresponsibilities as it relates to the QAPI;

32. Medical records standards and the provider's responsibilities regarding medical records;

33. A description of confidentiality and HIPAA requirements

withwhich the provider must comply;

34. A statement that the Health Plan will immediately transfer a Member to another PCP, Health Plan, or provider if the Member'shealth or safety is in jeopardy;
35. Claims submission and adjudication procedures;
36. Utilization review and management activities;
37. A description of D-SNP alignment activities that will impact provider practice, including any uniform appeals and grievanceprocesses;
38. A description of value-added services;
39. A description of the provider's role in the development of treatment or service plans for Members; and
40. Processes surrounding provider termination to include transition of care.

APPENDIX E: Approach to Care Delivery

A) As a part of the Med-QUEST Division's (MQD) Hawai'i 'Ohana Nui Project Expansion (HOPE) initiative, DHS describes the framework and strategies to achieve healthier families and healthier communities, and the Triple Aim of better health, better outcomes, and sustainable costs. As a next step, DHS is further describing how DHS will approach and implement activities related to critical aspects of care delivery including primary care, behavioral health integration across the continuum of care, and addressing social equity and social risk factors (SRF).

1. Advancing Primary Care

    a. Primary care has evolved over time and advanced primary care models are emerging to better meet the needs of patients, especially patients with complex medical, behavioral, and social conditions. Advanced primary care models are described as providing care that is comprehensive, relationship-based, person-centered, whole-person oriented, coordinated across all elements of the health care system, accessible, evidence-based, and high quality.

    b. DHS's approach to supporting advanced primary care models is to include new requirements in the QUEST Integration Health Plan contracts. Some of the Health Plan requirements include:

        1) Supporting providers that are interested in implementing advanced primary care models.

This may include activities such as providing administrative support, technical assistance, training, and other support.

2) Continuing to adopt payment policies that shift from volume-based to value-based payment models that promote and reward value. These payment policies and methodologies should also consider the cost of essential infrastructure and systems needed to transition to advanced primary care models.

3) Increasing the proportional investing in primary care.

4) Providing a robust system of health coordination that is performed in the home, in the community, and at the site of care including in primary care practices.

5) Supporting increased utilization of telehealth services.

6) Supporting Project Extension for Community Healthcare Outcomes (ECHO). Project ECHO™ is an innovative medical education and mentoring model that builds provider capacity with multi-disciplinary teams while improving access to care.

c. In addition, DHS intends to support primary care by establishing a specialized health home pilot concept

called the Hale Ola. The Hale Ola is a type of advanced health home that for provides comprehensive and coordinated care to Members with complex medical, behavioral, and social conditions. The Hale Ola will integrate and coordinate all primary, acute, behavioral health, and other services to treat the whole person. The Hale Ola will have a strong focus on behavioral health, prevention, health promotion, disease management, medication management, and other services.

2. Behavioral Health Integration across the Continuum of Care

    a. DHS's overarching goals are to integrate behavioral health with physical health at the primary care level, through the continuum to the most intensive level for Members with complex conditions and social needs. Other goals include integrating care with value-based payment structures, and screening, diagnosing, and treating conditions as early as possible.

    b. In order to achieve the goals, DHS is implementing the stepped approach to behavioral health (Von Koroff and Tiemens, 2000). The concept of the stepped approach is that individuals can move fluidly up and down a continuum of services and that treatment level and intervention will be paired with the individual level of acuity to provide effective care without overutilization of resources.

c. There are three components of the stepped approach. They include:

1) Utilizing the Hawai'i Coordinated Access Resource Entry System (CARES);

2) Establishing clear protocols describing the criteria for moving along the continuum of care; and

3) Supporting behavioral health integration models at the point of care.

d. Utilizing and supporting Hawai'i CARES:

1) The Department of Health (DOH) Alcohol and Drug Abuse Division (ADAD) created the Hawai'i Coordinated Access Resource Entry System (CARES) to better address the needs of individuals with behavioral health conditions. Hawai'i CARES is a comprehensive and responsible system of care that aims to provide a continuum of care to deliver and reduce all barriers to substance use disorder, mental health, and co-occurring treatment and recovery support services, as well as crisis intervention and support services. One of the major functions of Hawai'i CARES is to establish a hub of providers that complete universal intakes and screenings of Members and provide other services that support improving access to whole

person care. All QUEST Integration Members needing mental health, substance use, and crisis intervention services need to utilize this multiple entry-point and coordinating center to access care.

2) The Health Plans are required to work with Hawai'i CARES to ensure their Members are receiving needed care. The Health Plans must also work with Hawai'i CARES so authorization of needed services are provided in a timely manner. Hawai'i CARES and the Health Plans will also collaboratively work together to improve access to behavioral health services, and to ensure there is coordination of care and communication among the physical and behavioral health care team members.

e. Establishing protocols for movement along the continuum of care:

i. Even though a system of care is being developed through Hawai'i CARES, there are still other areas that need to be further developed in order to implement a stepped approach. One of the areas is to establish clear protocols that provide guidance and criteria on how Members will "step up" or "step down" the continuum of care. This will ensure that the right Members receive the right services at the right time in the right

settings, and it will also ensure consistency and standardization across the delivery system and Health Plans. DHS will take the lead on this work and collaborate with the Health Plans, Hawai'i CARES, and other stakeholders to establish the protocols.

f. Supporting behavioral health integration at the point of care:

1) An important aspect of a stepped approach to behavioral health is ensuring that there is adequate capacity at the provider level to provide services along the continuum of care. This is why the Health Plans are required to support providers in adopting evidence-based behavioral health integration models at the point of care. Some of the evidence-base integration models include the Collaborative Care Model, Screening, Brief Intervention and Referral to Treatment (SBIRT), Medication Assisted Treatment (MAT), Motivational Interviewing, and other evidence-based models.

2) Health Plans will support integration at the point of care by providing administrative support, technical assistance, and other support to practices that are interested in implementing integrated models. Additionally, the Health Plans will support integration by adopting

payment models that support and promote integrated care. By providing support and implementing payment policies that promote and reward integrated care, providers are more likely to adopt and implement integrated care models and access to care will likely increase.

3. Addressing Health Equity and SRF

   a. Another important aspect of care delivery is ensuring health equity and addressing social factors that may have an impact on health. The HOPE guiding principles stress the importance of applying a lens of health equity to the implementation of HOPE vision and addressing the SRF. SRF are the conditions in which people are born, grow, live, work, and age that shape health. Socio-economic status, discrimination, education, neighborhood and physical environment, employment, housing, food insecurity and access to health food choice, access to transportation, social support networks and connection to culture, as well as access to healthcare are all determinants of health.

   b. DHS's approach to health equity and addressing SRF is to develop a SRF transformation plan in partnership with the Health Plans which, when complete, will represent DHS's plan to identify, evaluate, and reduce, to the extent practicable, health disparities based on age, race, ethnicity, sex (gender when available), primary language, and disability status. The SRF transformation plan is

expected to develop a shared DHS and Health Plan Road Map to comprehensively and systematically address health disparities.

c. Early implementation stages of the plan will emphasize the use of analytics and analytic methods by DHS and the Health Plans to identify and monitor health disparities, and increased identification of unmet social needs through enhanced data collection methods. Later implementation stages will focus on care delivery. This will include identifying and fortifying community-based SRF supports, addressing social needs through referrals and resources, and targeting efforts to address the needs of populations at high risk for adverse health outcomes through socially and culturally appropriate mechanisms and communication. Simultaneously, the SRF transformation plan will pave the way for the development of financial mechanisms to address and mitigate health disparities and unmet social needs. Health Plans will be expected to align to and describe their "on the ground" community and beneficiary-level activities that will realize the overall goals.

4. Next Steps

a. Following the execution of the new Health Plan Contract (estimated effective date is July 1, 2021), and in collaboration with the Health Plans and stakeholders, DHS will continue to develop the HOPE implementation plan and timeline. DHS will consider the importance of

administrative simplification and standardization of processes at DHS, Health Plan, and provider level to ensure the HOPE vision is implemented as effectively and efficiently as possible. Additionally, DHS will also consider contingency plans that may be needed to adapt to unforeseeable or impactful events such as public health emergencies or budget crises.

APPENDIX F: Early and Periodic Screening, Diagnostic & Treatment Screening

A) EPSDT Form Changes

1. DHS 8015/8016

a. The EPSDT forms are used to align with the most current recommendations and guidelines and in response to input from providers in the community. Refer to Med-QUEST Division for the latest DHS 8015/8016 forms.

b. DHS 8015 serves the purpose of guiding providers through the required components of an EPSDT exam, improving the quality of exams, and through the data collected, providing a better understanding of the health and health needs of our Medicaid clients.

c. DHS 8016 is used to document the completion of any screening(s) and/or immunization(s) that were attempted and not done during a comprehensive EPSDT screening visit, as well as to document any immunization or screening not captured on the 8015 or not associated with a comprehensive EPSDT screening visit.

d. A supply of these forms may be obtained by calling the Medicaid designated fiscal agent. The instructions for completing the form appear in detail on the back of the DHS 8015/8016.

B) EPSDT Billing Procedures

1. The enhanced reimbursement ($120 for FFS in 2019) for comprehensive EPSDT exams will apply under the following conditions:

    a. Submission of a completed DHS 8015.

        1) Attach the original completed and signed hard-copy DHS 8015 to the CMS 1500 claim, and mail to the appropriate Health Plan for QI Members or to the Medicaid designated fiscal agent for fee-for-service Medicaid Members. If the completed form is not attached to the claim, the claim cannot be processed as a comprehensive EPSDT visit; or

        2) Submit electronically a completed and signed/finalized EPSDT exam through the EPSDT online form prior to electronic submission of the claim. The Health Plans or Med-QUEST Division staff will match the completed electronic EPSDT form with the electronic claim.

        3) Without a completed EPSDT form submitted in either hard-copy or electronic as described above, the claim cannot be processed as a comprehensive EPSDT exam and enhanced reimbursement will not be provided.

2. No other claim for an evaluation and management (E&M) service (99201-99255; 99304-99499) is submitted on the same day by the same provider for that patient. The EPSDT exam includes the diagnosis of abnormal conditions and appropriate treatment rendered by the EPSDT examining provider on the day of the EPSDT examination. For example, otitis media found during an EPSDT exam should be submitted with the appropriate EPSDT code; a separate claim line for an office visit for the diagnostic and treatment of otitis media should NOT be submitted.
3. Eligible codes can be found in the Medicaid Provider Manual's EPSDT chapter.

APPLICANT/CLIENT BACKGROUND INFORMATION (Please Type or Print)

1. **NAME** (Last, First, Middle Initial)	2. **BIRTHDATE**

3. FUNCTIONAL STATUS RELATED TO HEALTH CONDITIONS

I. LIST SIGNIFICANT CURRENT DIAGNOSIS(ES):

PRIMARY: _____

SECONDARY: _____

II. COMATOSE ☐ No ☐ Yes If "Yes," go to **XVIII.**

III. VISION / HEARING / SPEECH:
[0] a. Individual has normal or minimal impairment (with/without corrective device) of: ☐ Hearing ☐ Vision ☐ Speech
[1] b. Individual has impairment (with/without corrective device) of: ☐ Hearing ☐ Vision ☐ Speech
[2] c. Individual has complete absence of: ☐ Hearing ☐ Vision ☐ Speech

IV. COMMUNICATION:
[0] a. Adequately communicates needs/wants.
[1] b. Has difficulty communicating needs/wants.
[2] c. Unable to communicate needs/wants.

V. MEMORY:
[0] a. Normal or minimal impairment of memory.
[1] b. Problem with [ ] long-term or [ ] short-term memory.
[2] c. Individual has a problem with both long-term and short-term memory.

VI. MENTAL STATUS / BEHAVIOR: (only one selection for orientation – items a through c. Aggressive and/or abusive and wandering may also be checked with appropriate orientation.)
[0] a. Oriented (mentally alert and aware of surroundings).
[1] b. Disoriented (partially or intermittently; requires supervision).
[2] c. Disoriented and/or disruptive.
[3] d. Aggressive and/or abusive.
[4] e. Wanders at [ ] Day [ ] Night [ ] Both, or in danger of self-inflicted harm or self-neglect.

VII. FEEDING:
[0] a. Independent with or without an assistive device.
[1] b. Needs supervision or assistance with feeding.
[2] c. Is spoon / syringe / tube fed, does not participate.

VIII. TRANSFERRING:
[0] a. Independent with or without a device.
[2] b. Transfers with minimal /stand-by help of another person.
[3] c. Transfers with supervision and physical assistance of another person.
[4] d. Does not assist in transfer or is bedfast.

IX. MOBILITY / AMBULATION: (Check a maximum of 2 for items b through e. If an individual is either mobile or unable to walk, no other selections can be made.)
[0] a. Independently mobile with or without device.
[1] b. Ambulates with or without device but unsteady / subject to falls.
[2] c. Able to walk/be mobile with minimal assistance.
[3] d. Able to walk/be mobile with one assist.
[4] e. Able to walk/be mobile with more than one assist.
[5] f. Unable to walk.

X. BOWEL FUNCTION / CONTINENCE:
[0] a. Continent.
[1] b. Continent with cues.
[2] c. Incontinent (at least once daily).
[3] d. Incontinent (more than once daily, # of times _____).

XI. BLADDER FUNCTION / CONTINENCE:
[0] a. Continent.
[1] b. Continent with cues.
[2] c. Incontinent (at least once daily).
[3] d. Incontinent (more than once daily, # of times _____).

XII. BATHING:
[0] a. Independent bathing.
[1] b. Unable to safely bathe without minimal assistance and supervision.
[3] c. Cannot bathe without total assistance (tub, shower, whirlpool or bed bath).

XIII. DRESSING AND PERSONAL GROOMING:
[0] a. Appropriate and independent dressing, undressing and grooming.
[1] b. Can groom/dress self with cueing. (Can dress, but unable to choose or lay out clothes).
[2] c. Physical assistance needed on a regular basis.
[3] d. Requires total help in dressing, undressing, and grooming.

Complete questions XIV to XVII for At Risk only:

XIV. HOUSECLEANING:
[0] a. Independent
[2] b. Needs Assistance
[3] c. Unable to safely clean the home

XV. SHOPPING:
[0] a. Independent
[2] b. Needs Assistance
[3] c. Unable to safely go shopping

XVI. LAUNDRY:
[0] a. Independent
[1] b. Needs Assistance
[2] c. Unable to safely do the laundry

XVII. MEAL PREPARATION:
[0] a. Independent
[1] b. Needs Assistance
[2] c. Unable to safely prepare a meal

XVIII. TOTAL POINTS:

Comatose = 30 points

Total Points Indicated: _____

XIX MEDICATIONS/TREATMENTS:

DHS 1147 (Interim Rev. 05/14) DO NOT MODIFY FORM Page 3 of 3
Legible photocopies and facsimiles will be acknowledged as original

INSTRUCTIONS
DHS FORM 1147
Rev. 05/14
LEVEL OF CARE (LOC) AND AT RISK EVALUATION

1. ***Check the appropriate box for the evaluation:*** Check type of request - initial, annual, reconsideration or other review, i.e. 3 month review to determine continued stay.

2. ***Patient Name***: Self-explanatory.

3. ***Birthdate***: Self-explanatory.

4. ***Gender***: Indicate whether the patient is "M" for male or "F" for female.

5. ***Medicare***: Check the appropriate box indicating whether patient has Medicare Part A and B and enter patient's Medicare I.D. number, if eligible for either Part A or B.

6. ***Medicaid Eligible***: Check "Yes" or "No" to indicate whether the patient is currently Medicaid eligible. Enter Medicaid I.D. number assigned by the Department of Human Services, if eligible. If the patient has applied for Medicaid but has not yet been deemed eligible, print or type in "pending" for I.D. # and print or type in date applied. Forms will be processed only if patient has a Medicaid number or has the date of the Medicaid application.

7. ***Present Address***: Indicate patient's present address, i.e. Home, Hospital, Nursing Facility (NF), Care Home, Extended Adult Residential Care Home (EARCH – Type I & Type II), Community Care Family Foster Home (CCFFH), or other.

   Home: Patient is at his or her residential home or is homeless.
   Hospital: Patient is currently residing in an Acute Care Hospital, i.e. waitlisted at an acute waitlisted level of care.
   Nursing Facility (NF): Patient is currently residing in a nursing facility.
   Care Home: Patient is currently residing in a care home – not at nursing facility level of care.
   Extended Adult Resident Care Home (EARCH): Patient is currently residing in a Department of Health or Shared Home with the Department of Human Services which include Patients at a care home and nursing facility level of care.
   Community Care Foster Family Home (CCFFH): Patient is currently residing in a Department of Human Services Foster Home which includes Patients at a nursing facility level of care.
   Other: Check this box if the patient's present address is not listed above. Write in the description.

8. ***Medicaid Provider Number***: Enter only if applicable. Patient must be pending Medicaid and currently NOT a patient in a managed care health plan.

9. ***Attending Physician/Primary Care Provider (PCP)***: Enter the name of the attending physician or primary care provider, telephone and fax number.

10. ***Return Form to***: Enter the name of the service coordinator or the contact person. Indicate the managed care plan name if applicable, telephone, fax number and email address of the person able to provide additional information about the patient.

11. ***Referral Information***: Complete all sections for an initial request. Skip this section, if this is an annual or "other" review.

    A. **Source(s) of Information**: Identify the source(s) of patient information received.

    B. **Responsible Person**: Provide the name, relationship, phone and fax numbers of the family member/personal agent who will be making decisions for the patient.

    C. **Language**: Check the box of the primary language spoken by the patient. If checking "Other," indicate the language spoken. Information is used to obtain interpreters.

12. ***Assessment Information***: Complete all sections.

    A. **Assessment Date**: Indicate the date of the most current assessment.

    B. **Assessor's Name, Title, Signature, Phone and Fax Numbers**: A registered nurse (RN), physician or primary care provider must perform the assessment. Enter the name, title and telephone, fax number and email address of the assessor. The assessor must sign the form.

    Electronic submittal of form(s) will be accepted with the box checked that a signature of the RN, physician or primary care provider has signed a hard copy of this form and the hard copy of the form(s) can be found in the patient's file.

13. ***Requesting***: Check what is being requested (either level of care or at risk). Indicate the begin and end date of the request. If hospice services have been elected by the patient AND the services will be provided in a nursing facility, attach the hospice election and physician verification form. *Hospice services in other settings do not require an 1147 form.*

    Indicate the length of approval requested. Check one box.

14. ***Medical Necessity Determination***: Completed by DHS reviewer or designee. Leave Blank. DO NOT COMPLETE.

PAGE 2 AND 3–APPLICANT/PATIENT BACKGROUND INFORMATION

1. ***Name***: Self-explanatory.

2. ***Birthdate***: Self-explanatory.

3. ***Functional Status Related to Health Conditions***: Complete all sections.

I. **List significant current diagnosis(es)**: List the primary and secondary diagnosis(es) or medical conditions related to the patient's need for long-term care.

II. **Comatose**: If patient is comatose, check "Yes" box and go directly to Section XVIII. If patient is not comatose, check "No" and complete rest of section.

III. **Vision/Hearing/Speech through XIII Dressing and Personal Grooming**: Select the description that best describes the patient's functioning.

Note: Make only one selection in all sections except VI. Mental Status/Behavior and IX. Mobility/Ambulation. For Mental Status/Behavior, make only one selection for orientation (items a through c). Aggressive and/or abusive and wandering may also be checked with the appropriate orientation. For Mobility/Ambulation, check a maximum of 2 for items b through e. If an individual is either mobile or unable to walk, no other selections can be made.

XIV. **Housecleaning through XVII Meal Preparation (complete only for At-Risk criteria):**

Select the description that best describes the patient's functioning.

a) Independent

b) Able to complete some tasks with some assistance, includes oversight/cuing

c) Unable to complete tasks on own or needs assistance

XVIII. **Total Points**: Add the points from each section to obtain total. Comatose patients are assigned 30 points.

XIX. **Medications/Treatments**: List the significant medications prescribed by a physician. They may be chronic and given on a fixed schedule (such as antihypertensives), or short term (such as antibiotics), or significant PRN medications (such as narcotics and sedatives). Do not list stool softeners, enemas, and other agents to treat constipation, acetaminophen, non-steroidal anti-inflammatory agents (NSAIDs) unless they are given at least daily. If a patient has more than significant medications than available lines, attach orders or treatment sheet.

XX. **Additional Information Concerning Patient's Functional Status**: Use the space to provide additional information on the patient's functional status. This section may be used to identify the extent of the assistance (minimal, with assistance or total) that is required. Attach a separate sheet if more space is required. See attachment Functional Status related to Health Conditions on scoring this section.

XXI. **Skilled Procedures**: Check the particular skilled procedure(s) that the patient requires. If the care is daily (D), indicate the number of times per

day that care is required. If care is less than once per day check "L". If the care is not applicable, check "N".

If restorative therapy is being requested, attach the evaluation and treatment plan(s) AND indicate whether the patient is able to participate in therapy a minimum of 45 minutes per session 5 days a week.

XXII. **Social Situation**:

A. **Person can return home**: Identify whether the patient can return home. The home can be a family member's (daughter, son, brother, sister, parents, etc.) home as well as the patient's own home. Check "NA" if the patient is already in a home environment. If the individual does not have a home, indicate whether the patient can be placed in a community setting. Check "NA" if the patient is already in a community setting.

B. **Caregiving support**: If the patient has a home, identify whether the caregiving support is willing/able to provide care. If caregiver requires assistance, identify the assistance required.

C. **Caregiver name**. Provide the caregiver's name, relationship, address, phone and fax numbers.

XXIII. **Comments on Nursing Requirements or Social Situation:** Provide any additional information that would help explain the Patient's nursing requirements or social situation.

Physician/PCP/RN Signature: Self-explanatory.

Electronic submittal of form(s) will be accepted with the box checked that the physician, the primary care provider, or the registered nurse has signed a hard copy of the form(s) and that the plan of care has been discussed with the physician, primary care provider, or registered nurse. The hard copy of the form(s) must be kept in the Patient's file.

Date: Indicate the date of the physician, Primary Care Provider, or Registered Nurses' signature.

Physician's/PCP/RN Name (Print): Self-explanatory.

Filing Instructions: Mail, fax, or send forms electronically to:

Health Services Advisory Group, Inc.
1440 Kapiolani Blvd., Suite 1110,
Honolulu, HI 96814

Med-QUEST Division

MEDICAL HISTORY AND DISABILITY STATEMENT

Instructions: It is very important that you read and answer all questions carefully. Your responses may help to determine if you are disabled. You may ask someone such as a relative, friend, eligibility worker, or someone from the health care field to help you complete this form. If someone helps you to complete the form, the answers should, to the extent possible, be in your own words.

Name of potentially disabled individual: _____
Last Name First Name

Beneficiary ID Number: _____ Case Number: _____

SOCIAL SECURITY DISABILITY INSURANCE (SSDI) INFORMATION

1. Are you receiving SSDI? [ ] Yes [ ] No
2. Have you ever received SSDI? [ ] Yes [ ] No
3. If yes to #2, why did the SSDI stop? _____

_____

4. Have you applied for social security benefits for your current disability? Check appropriate block(s):
   [ ] No
   [ ] Yes. Date applied for benefits: _____
   [ ] My application is pending.
   [ ] My application has been approved and I am currently or will soon be receiving benefits.
   [ ] My application was denied. Explain reason given for denial of benefits:

_____

_____

MEDICAL PROFILE

1. Describe your disability and explain the reason(s) why you are unable to work:

_____

_____

2. Describe the cause of your disability (i.e. accident, injury, illness, etc):

_____

_____

3. Describe all treatment(s) prescribed by any physician for your disability:

_____

_____

4. How often do you see your doctor for treatment? (Check one of the following blocks)
   [ ] weekly [ ] several times a month [ ] monthly [ ] quarterly or more

5. List hospitalization(s) within the past two years, reason for hospitalization(s), and duration(s) of stay:

_____

_____

_____

DHS 1127 (Rev. 03/14)

EDUCATION LEVEL

1. Are you able to understand and communicate in English: [ ] Yes [ ] No
2. Education: Circle the last grade you completed

   1 2 3 4 5 6 7 8 9 10 11 12 13 14 15 16
3. List any educational Degree, Diploma, Training, or Certificate received:

   _____

   _____

PREVIOUS WORK EXPERIENCE

1. Have you ever been employed? [ ] Yes [ ] No
   If yes, list the last job and type of work: _____

   _____

   _____

   _____
2. List the date of your last employment and reason(s) why your job was terminated:

   _____

   _____

****

Check "A" or "B" below and sign. Also, read and initial to acknowledge "C" and "D". (Must be completed or form will not be accepted)

A. _____I certify that the information I have provided to be true, accurate, and correct to the best of my knowledge.
B. _____I choose not to complete this form.

Read and initial:

C. _____ I understand that if I am found to have a disability for one year or more, I will be disenrolled from my QUEST health plan and enrolled into a QExA health plan. I also understand that I may not be able to continue seeing my current provider(s).

D. _____ I understand that if I am found to have a disability for one year or more, the Department of Human Services will look at my assets to determine if I am still Medicaid eligible. If I go over my asset limit, I may lose my Medicaid eligibility.

Signature of Applicant/Beneficiary		Date
Signature of Person Applying for Applicant/Beneficiary	Relationship	Date

If applicant/beneficiary did not complete this form on their own, explain the reason(s) why: _____

_____

_____

_____ _____

Name of Person Who Assisted To Complete Form Date

MQD Remarks: _____

DHS 1180 (Rev. 03/14)

APPENDIX I: LTSS - PAI & PAII Service Descriptions

Description of LTSS Benefits (addendum to RFP-MQD-2021-008 Section 4.8.C)

A) Personal Assistance Services – Level I and Level II

1. Personal assistance sometimes also called "attendant care" for children needing these services, are services provided in an individual's home to help them with their IADLs and ADLs.

2. Personal assistance services Level I are provided to individuals requiring assistance with IADLs to prevent a decline in the health status and maintain the individuals safely in their home and communities. Personal assistance services Level I are for individuals who are not living with their family who would otherwise perform these duties as part of a natural support. Personal assistance services Level I is limited to ten (10) hours per week for individuals who do not meet institutional level of care. Personal assistance services Level I may be self-directed by the Member, who is a social services recipient and consist of the following:

    a. Companion services, pre-authorized by the service coordinator in the Member's service plan, means non-medical care, supervision, and socialization provided to a Member who is assessed to need these services. Companions may assist or supervise the individual with such tasks as meal preparation, laundry, and shopping/errands, but do not perform these activities as discrete services. Providers may also perform light

housekeeping tasks that are incidental to the care and supervision of the individual.

b. Homemaker/chore services means any of the activities listed below, when the individual that is regularly responsible for these activities is temporarily absent or unable to manage the home and care for himself/herself or others. Homemaker/chore services, pre-authorized by the service coordinator in the Member's service plan, are of a routine nature and will not require specialized training or professional skills such as those possessed by a nurse or home health aide. The scope of homemaker/chore services specified in this section will cover only the activities that need to be provided for the Member, and not for other Members of the household, and will include the following:

    1) Routine housecleaning such as sweeping, mopping, dusting, making beds, cleaning the toilet and shower or bathtub, taking out rubbish;

    2) Care of clothing and linen by washing, drying, ironing, mending;

    3) Shopping for household supplies and personal essentials (not including cost of supplies);

    4) Light yard work, such as mowing the lawn;

    5) Simple home repairs, such as replacing light bulbs;

    6) Preparing meals;

7) Running errands, such as paying bills, and picking up medications;

8) Escorting the Member to clinics, physician office visits, or other trips for the purpose of obtaining treatment or meeting needs established in the service plan, when no other resource is available;

9) Providing standby/minimal assistance or supervision of activities of daily living such as bathing, dressing, grooming, eating, ambulation/mobility, and transfer;

10) Reporting and/or documenting observations and services provided, including observation of Member self-administered medications and treatments, as appropriate; and

11) Reporting to the assigned provider, supervisor or designee, observations about changes in the Member's behavior, functioning, condition, or self-care/home management abilities that necessitate a change in service provided.

3. Personal assistance services Level II are provided to individuals requiring assistance with moderate/substantial to total assistance to perform ADLs and health maintenance activities. Personal assistance services Level II will be provided by a home health aide (HHA), personal care aide (PCA), Certified Nurse Aide (CNA) or Nurse Aide (NA) with applicable skills competency. Personal

assistance services Level II may be self-directed by the Member, who is a social services recipient, and consist of the following:

a. Personal hygiene and grooming, including bathing, skin care, oral hygiene, hair care, and dressing;

b. Assistance with bowel and bladder care;

c. Assistance with ambulation and mobility;

d. Assistance with transfers;

e. Assistance with medications, which are ordinarily self-administered when ordered by Member's physician;

f. Assistance with routine or maintenance healthcare services by a personal care provider with specific training, satisfactorily documented performance, care coordinator consent and when ordered by Member's physician;

g. Assistance with feeding, nutrition, meal preparation and other dietary activities;

h. Assistance with exercise, positioning, and range of motion;

i. Taking and recording vital signs, including blood pressure;

j. Measuring and recording intake and output, when ordered;

k. Collecting and testing specimens as directed;

l. Special tasks of nursing care when delegated by a registered nurse, for Members who have a medically stable condition and who require indirect nursing supervision as defined in Chapter 16-89, HAR;

m. Proper utilization and maintenance of Member's medical and adaptive equipment and supplies. Checking and reporting any equipment or supplies that need to be repaired or replenished;

n. Reporting changes in the Member's behavior, functioning, condition, or self-care abilities which necessitate more or less service; and

o. Maintaining documentation of observations and services provided.

p. When personal assistance services Level II activities are the primary services, personal assistance services Level I activities identified on the service plan, which are incidental to the care furnished or that are essential to the health and welfare of the Member, rather than the Member's family, may also be provided.

APPENDIX K: I/DD Coordination of Services

QI Health Plan Service Coordinator	DDD Case Manager

• The Health Plan will assign a service coordinator, as appropriate.
• Responsible for coordinating the medical-related issues (i.e., physician, hospital, home health, medication, etc.).
• Helps the Member navigate the health care system.
• The service coordinator will:
  ○ Find physicians or specialists.
  ○ Assure that Member has medically-necessary durable medical equipment (DME) or medical supplies.
  ○ Support client during a hospital discharge for new medication, home health, etc.
• Coordinate benefits with primary insurance to assure that Member has medically-necessary services, including medications.
• Coordinate for social determinates of health and medically-necessary services.
• Coordinate with the Going Home Plus (GHP) program for services not covered by the I/DD waiver.
	• The case manager coordinates home and community-based services.
	• Make referrals to Health Plan for medical related issues (i.e., physician, hospital, home health, medication, etc.).
	• Make referrals to other Medicaid or federally funded programs including, but not limited to, dental services, etc.
	• The case manager is the liaison to other government programs other than Medicaid (i.e., Early Intervention, Department Of Education, Child and Adolescent Mental Health Division, Adult Mental Health Division, Community Care Services, Child Welfare Services, Adult Protective Services, etc.).

Information to share during coordination:
- Change in condition/status/contact information with/for the Member/participant.
- Invite the service coordinator/case manager to any meeting that DDD or the Health Plan attends (i.e., discharge planning meeting at hospital, meeting with provider/family on complex cases).
- Emergency department visits and hospital admissions, if able.

Initial Assessment

QI Health Plan Service Coordinator	DDD Case Manager
• If Member is new to Medicaid or is identified as special health care needs (SHCN), performs the health and functional assessment (HFA). • May authorize time-limited services in place while referring to the I/DD Waiver.	• Performs the initial assessment prior to enrollment into the I/DD Waiver. • Note: Enrollment into the I/DD Waiver may take up to 90 days. After enrollment, the delivery of services may also take up to 90 days (combined up to 180 days).
Information to share during coordination: - Recommendation for additional services needed (i.e., Health Plan recommends to increase I/DD Waiver services or DDD recommend increase in health services). - Health Plan to DDD- Copy of the HFA to case manager. - DDD to Health Plan- Copy of the Initial Assessment to service coordinator.	

Re-Assessments

QI Health Plan Service Coordinator	DDD Case Manager
• Performs re-assessment, if applicable: ○ Every 12 months and more frequently as needed (e.g., after hospitalization, or change in condition, as indicated). ○ Every 3 months (if Health Plan HCBS are in place while awaiting enrollment to the I/DD Waiver). ○ Every 6 months (if identified as SHCN and in I/DD Waiver). • Supports the case manager in accessing primary and specialty medical appointments.	• Performs the annual re-assessment and more frequent as needed.
Information to share during coordination: - Health Plan to DDD- Copy of the HFA re-assessment to case manager. - DDD to Health Plan- Copy of the re-assessment to service coordinator.	

Person-Centered Service Plan

QI Health Plan Service Coordinator	DDD Case Manager

• Develops the initial person-centered service plan with the Member and circle of support (may include family, friends, caregivers, provider agency representative, case manager, etc.).
• Developed within 15 business days (if identified as SHCN).
• Updates service plan, if applicable:
  ○ Every 3 months (if Health Plan HCBS are in place while awaiting enrollment to the I/DD Waiver).
  ○ Every 6 months (if identified as SHCN).
	• Develops the initial individualized service plan (ISP) with the participant and circle of support (may include family, friends, caregivers, provider agency representative, service coordinator, etc.).
	• Updates ISP annually and as needed.

Information to share during coordination: - Health Plan to DDD- Copy of the Service Plan to case manager. - DDD to Health Plan- Copy of the Individualized Service Plan to service coordinator.	

Planning Meetings

QI Health Plan Service Coordinator	DDD Case Manager
• Attends ISP meetings, if applicable.	• Assist participant with coordination of ISP meetings and encourages the participant to choose the circle of support to attend.

Approval of Services

QI Health Plan Service Coordinator	DDD Case Manager
• The Health Plan approves services that are: ○ Based on medical necessity. ○ Coordinated with Member's primary insurance. ○ Services include primary and acute care benefit package, Attachment B. • Note: The Health Plan provides QI services, as appropriate, in tandem with I/DD Waiver services. If the Member chooses to receive HCBS through I/DD Waiver, the Health Plan may provide HCBS while awaiting enrollment to the program.	• I/DD Waiver approves services within the guidelines developed for case managers, utilization review committee, and clinical inter disciplinary team: ○ Services are appropriate and supports the participant to remain at home and community setting versus institutionalization. ○ Approved services for I/DD Waiver, Attachment A. ○ Services promote community integration and are home and community-based.
Information to share during coordination: - Health Plan to DDD- Copy of the Service Plan to case manager when approved for DME, medical supplies, or personal assistance or nursing hours. - DDD to Health Plan- Copy of the Individualized Service Plan to service coordinator when approved to HCBS services.	

Denial of Services

QI Health Plan Service Coordinator	DDD Case Manager
• Health Plan denies services that are: ○ Not medically-necessary. ○ Should be covered by Members' primary health insurance. ○ Not part of the primary and acute care benefit package.	• I/DD Waiver denies services within guidelines developed for case managers utilization review committee and clinical inter disciplinary team: ○ Not needed by the participant. ○ Not included in the I/DD Waiver services.
Information to share during coordination: - Health Plan to DDD- Notify case manager when there is a denial for DME, medical supplies, or personal assistance or nursing hours and any item that DDD has requested. - DDD to Health Plan- Notify service coordinator when there is a denial of HCBS services.	

Grievances

QI Health Plan Service Coordinator	DDD Case Manager
• Process Member's grievance in accordance with the Health Plan policies and procedures. • Refers Member to case manager if grievance is related to I/DD Waiver.	• Works with the participant to try to resolve issues prior to becoming a grievance. • Process participant's grievance in accordance with policies and procedures. • Refers participant to the Health Plan if grievance is related to medical needs such as medically-necessary services, equipment and supplies.
Information to share during coordination: - Health Plan to DDD- Notify case manager of grievance resolution that involves I/DD Waiver. - DDD to Health Plan- Notify service coordinator of grievance resolution that involves Health Plan.	

Appeals

QI Health Plan Service Coordinator	DDD Case Manager
• Process Member's appeal in accordance with the Health Plan policies and procedures. • Refers Member to case manager if appeal is related to I/DD Waiver.	• Supports DDD staff in development of response to the appeal. • Process participant's appeal in accordance with policies and procedures. • Refers participant to the Health Plan if appeal is related to medical needs such as medically-necessary services and medical equipment and supplies.
Information to share during coordination: - Health Plan to DDD- Notify case manager of appeal resolution that involves I/DD Waiver. - DDD to Health Plan- Notify service coordinator of appeal resolution that involves Health Plan.	

1915(c) Intellectual and/or Developmental Disabilities (I/DD) Home and Community-Based Services

List of Services		Brief Service Description
1	Adult Day Health	Adult Day Health covers structured age-relevant activities as specified in the individualized service plan (ISP), in a non-institutional center or facility encompassing both health and social services needed to ensure the optimal functioning of the participant. The desired outcomes include measurable improvements in individual independence, increased participation in the community, and other skill building that leads to increased community integration. Progress towards the participant's independence, community integration, and skill development goals will be assessed and reviewed regularly to evaluate the measurable gains being made toward the goals.
2	Additional Residential Supports	This service provides direct support worker staff hours to assist the residential habilitation (ResHab) caregiver when a participant experiences a physical or behavioral change that exceeds the level of staffing funded through their ResHab rate. The outcome of this service is to stabilize a participant's placement in the ResHab home, support the family unit, prevent loss of placement, and/or prevent a crisis. The service is intended to be short-term (less than 60 days) but can be renewed for additional periods depending on the participant's needs.
3	Assistive Technology	Assistive Technology device means an item, piece of equipment, or product system, whether acquired commercially, modified, or customized, that is used to increase, maintain, or improve functional capabilities of participants. The assistive technology must be for the use of the participant and necessary as specified in the ISP to assist the participant in achieving identified measurable goals, has high potential to increase autonomy and reduce the need for physical assistance, and is the most cost-effective option.
4	Chore	Chore services are needed to maintain the participant`s home in a clean, sanitary, and safe manner. This service includes heavy household chores such as washing floors, windows, and walls; tacking down loose rugs and tiles; and moving heavy items of furniture, in order to provide safe access and egress as well as more routine or regular services such as the performance of general household tasks such as meal preparation and routine household care for the participant only. These services are available to participants living independently who need chore services and are without natural (non-paid) supports or who are living with family but the natural supports are physically unable to perform the chores. Documentation must indicate that no other party is capable of and responsible for providing chore services, including the participant, anyone else financially providing for the participant, and another relative,

List of Services		Brief Service Description
		caregiver, landlord, community/volunteer agency, or third-party payer.
5	Community Learning Services	Community Learning Services (CLS) support the participant's integration in the community. Services will meet the participant's needs and preferences for active community participation, including the participant's choice whether to do the activity individually or with a small group of others who share that interest. The intended outcome of CLS is to improve the participant's access to the community through increasing skills, improving communication, developing and maintaining friendships, gaining experience with the opportunities available in the community each as public events and enrichment activities, functioning as independently as possible, and/or relying less on paid supports. These services assist the participant to acquire, retain, or improve social and networking skills, develop and retain social valued roles, independently use community resources, develop adaptive and leisure skills, hobbies, and exercise civil rights and self-advocacy skills required for active community participation.
6	Discovery and Career Planning	Discovery and Career Planning (DCP) combines elements of traditional prevocational services with career planning in order to provide supports that are ongoing throughout the participant's work career. Discovery and Career Planning is based on the belief that all individuals with intellectual and developmental disabilities can work when given the opportunity, training, and supports that build on an individual's strengths, abilities, and interests.
7	Environmental Accessibility Adaptations	Those physical adaptations permanently installed to the participant's home, required by the participant's ISP, that are necessary to ensure the health, welfare, and safety of the participant and enable the participant to function with greater independence in the home. Such adaptations include the installation of ramps and grab bars, widening of doorways, modification of bathroom facilities, environmental control devices that replace the need for physical assistance, and increase the participant's ability to live independently, such as automatic door openers, or the installation of specialized electric and plumbing systems needed to accommodate the medical equipment and supplies that are necessary for the welfare of the participant and directly related to the participant's developmental disability.
8	Individual Employment Supports	Individual Employment Supports are based on the belief that all individuals with intellectual and developmental disabilities can work and that individuals of working age should be provided the supports necessary not only to gain access to and maintain employment in the community, but to advance in their chosen fields and explore new

List of Services		Brief Service Description
		employment options as their skills, interests, and needs change. Individual Employment Supports are designed to maximize the participant's skills, talents, abilities, and interests.
9	Non-Medical Transportation	Non-Medical Transportation enables participants to gain access to community services, activities, jobs, and resources as specified in the Individualized Service Plan (ISP) and when no other waiver service is responsible for providing the transportation. Limitations: This service shall not be used to provide medical transportation required under 42 CFR §431.53 and transportation services under the State plan delivered through the QUEST Integration Health Plans. Non-medical transportation may not duplicate transportation that is included within another waiver service or to transport the participant to a setting that is the responsibility of another agency, such as the Department of Education. An individual serving as a designated representative for a waiver participant using the consumer-directed option may not provide non-medical transportation. Non-medical transportation may not be provided to children less than 18 years of age, by parents, step-parents, or the legal guardian of the minor. Non-medical transportation may not be provided to a participant by their spouse.
10	Personal Assistance/ Habilitation	Personal Assistance/Habilitation (PAB) is a range of assistance or habilitative training provided primarily in the participant's home to enable a participant to acquire, retain and/or improve skills related to living in his or her home. PAB services are identified through the person-centered planning process and included in the individualized service plan (ISP) to address measurable outcomes related to the participant's skills in the following areas: 1) activities of daily living (ADL) skills: eating, bathing, dressing, grooming, toileting, personal hygiene, and transferring; 2) instrumental activities of daily living (IADL): light housework, laundry, meal preparation, arranging public transportation, preparing a grocery or shopping list, using the telephone, learning to self-administer medication, and budgeting; 3) mobility; 4) communication; and 5) social skills and adaptive behaviors. Limitations: For participants under age 21, PAB may not be delivered if such services have been determined to be medically-necessary EPSDT services to be provided through the QUEST Integration Health Plans.

List of Services		Brief Service Description
11	Personal Emergency Response System	PERS is a commercially-available system used by waiver participants who need assistance to secure help in an emergency while maintaining independence at home.
12	Private Duty Nursing	Private duty nursing (PDN) services are defined as services determined medically-necessary to support an adult (21 years of age and older) with substantial complex health management support needs. PDN services must be specified in the ISP. PDN services are within the scope of the State's Nurse Practice Act and require the education, continuous assessment, professional judgment, nursing interventions, and skilled nursing tasks of a registered nurse (RN) or licensed practical nurse (LPN) under the supervision of an RN. The RN and LPN are licensed to practice in the State of Hawai'i. Limitations: PDN services are provided to participants age 21 and older up to a maximum of 8 hours on average per day during the authorization period. If DOH/DDD authorizes a short-term increase above the 8 hours-per-day limit, the authorized increase shall not exceed 30 days. For participants under age 21, all medically-necessary nursing services for children are covered in the state plan pursuant to the EPSDT benefit and to be provided through the QUEST Integration Health Plans.
13	Residential Habilitation	Residential habilitation (ResHab) are individually tailored supports that assist with the acquisition, retention, or improvement in skills related to living in the community. These supports include adaptive skill development, assistance with activities of daily living and instrumental activities of daily living, community inclusion, transportation, and social and leisure skill development that assist participants to reside in the most integrated setting appropriate to their needs. Residential habilitation does not include general care supervision which are required under the home's license or certification requirements. Residential habilitation is a service, not a setting.

List of Services		Brief Service Description
14	Respite	Respite services are only provided to participants living in family homes and are furnished on a short-term basis to provide relief to those persons who normally provide uncompensated care for the participant for at least a portion of the day. If the participant requires nursing assessment, judgment and interventions during respite, the service may be provided by a Registered Nurse (RN) or Licensed Practical Nurse (LPN) under the supervision of an RN. Limitation: For participants under the age of 21, respite services provided by a RN or LPN are available only to participants receiving private duty nursing (PDN) through QUEST Integration EPSDT services.
15	Specialized Medical Equipment	Specialized medical equipment and supplies include: 1) devices, controls, appliances, equipment, and supplies, specified in the plan of care, which enable participants to increase their abilities to perform activities of daily living, or to perceive, control, or communicate with the environment in which they live; 2) items necessary for life support or to address physical conditions along with ancillary supplies and equipment necessary to the proper functioning of such items; 3) such other durable and non-durable medical equipment not available under the State Plan that are necessary to address participant functional limitations; and 4) necessary medical supplies.
16	Training and Consultation	Training and consultation services assist unpaid caregivers, paid service supervisors, contractors, and/or paid support staff in implementing the goals and outcomes developed from the person-centered planning process and included in the individualized service plan (ISP). The goals and outcomes are necessary to improve the participant's independence and inclusion in their community.
17	Vehicle Modifications	Adaptations to a vehicle to accommodate the special needs of the participant. Vehicle adaptations are specified in the ISP as necessary to enable the participant to integrate more fully into the community and to ensure the health, welfare, and safety of the participant.
18	Waiver Emergency Services	Waiver emergency services (outreach) shall be defined as the initial call requesting outreach and the immediate on-site crisis support for situations in which the individual's presence in their home or program is at risk due to the display of challenging behaviors that occur with intensity, duration, and frequency, that endangers his/her safety or the safety of others or that results in the destruction of property.

INSTRUCTIONS
DHS 1148 (Rev. 09/2020)

MEDICAID ELIGIBILITY FOR LONG-TERM CARE (LTC) SERVICES

PURPOSE:
An Authorized Medicaid Provider such as the Medicaid Managed Care Health Plans, Nursing or Hospital Facilities, Case Management Agencies (CMA) or Targeted Case Managers (TCM), shall use the DHS 1148, "Medicaid Eligibility for Long-Term Care (LTC) Services" form for a Medicaid applicant of beneficiary requesting Long-Term Care (LTC) services.

GENERAL INSTRUCTIONS:
An Authorized Medicaid Provider shall complete and route this form to MQD. MQD shall review the information submitted on this form and determine applicant/beneficiary eligibility for LTC services. If an individual is determined eligible for LTC services, MQD shall transfer information on this form into the Kauhale On-Line Eligibility Assistance (KOLEA) system.

SECTION 1: AUTHORIZED MEDICAID PROVIDER AND MED-QUEST DIVISION
All requested information in Section 1 must be completed by the Authorized Medicaid Provider as applicable.

SECTION 2: APPLICANT/BENEFICIARY INFORMATION (completed by Authorized Medicaid provider)
All requested information in Section 2 must be completed by the Authorized Medicaid Provider as applicable.

SECTION 3: NEW ADMISSION OF LONG-TERM-CARE (LTC) SERVICES REQUEST (completed by Authorized Medicaid provider)

Approved LTC: The DHS 1147, DHS 1150 or DHS 1150C must be selected as evidence that Level of Care was approved in addition to the Start and End Date of Level of Care approval.

For section **3.A.-3. F**, please select which type of LTC placement applicant/beneficiary is requesting and complete the placement contact information. The Authorized Medicaid Provider must complete the "Date of Admission" Note: If the date of admission is delayed or changed the Authorized Medicaid Provider will need to resubmit the DHS 1148 and in this section they will select the "Revised" box and complete "Date of Admission" with the new date.

Living Setting:

HCBS Program Enrollment and GHP Codes	Living Setting
• Home and Community Based Services (HCBS 299) • Going Home Plus (Aged 131, Disabled 132, I/DD-403) • Intellectual/Developmental Disability Waiver (I/DD-404)	• **HO**-Home and Community Based Services in a Private Home, Assisted Living Facility (ALF) • **D1**-Domicilliary Level I- Community Care Foster Family Home (CCFFH) or Adult Residential Care Home (E-ARCH) • **D2**-Domicilliary Level II- E-ARCH only

SECTION 4: EXISTING LTC BENEFICIARY CHANGE REQUEST (completed by Authorized Medicaid provider)
If there are any changes in applicant/beneficiary LTC request, the Authorized Medicaid Provider shall complete all information requested in Section 4.

SECTION 5: STATUS CHANGE OF LTC BENEFICIARY
MQD eligibility staff shall complete all information in Section 5 requested as appropriate and inform the Authorized Medicaid Provider/requesting party of the applicant/beneficiary LTC services determination. Once Completed MQD Eligibility Staff shall print their name, sign, and date the completed form.

If you have additional questions regarding the completion of this form, please email amanuel@dhs.hawaii.gov or call (808) 692-8109.

FILING/DISTRIBUTION INSTRUCTIONS:
MQD shall complete the DHS 1148 and shall:
1) Send the response/referral to the referring party; and
2) File/scan a copy in the case record and update form information as appropriate to LTC section in KOLEA.

Page 1 of 1

APPENDIX M: Eligibility Diagnoses for QI Specialized BHS

CAMHD Support for Emotional and Behavior Development (SEBD) Program for Members 3 through 20 Years Old

A) Eligible SEBD Diagnoses:

1. Demonstrates the presence of a primary DSM (most current edition) Axis I diagnosis for at least six (6) months or is expected to demonstrate the diagnosis for the next six (6) months. See excluded diagnoses in the next section.

B) Excluded SEBD Diagnoses*

1. *Mental Retardation** (317, 318.0, 318.1, 318.2, 319)
2. Pervasive Developmental Disorders** (299.0, 299.80, 299.10)
3. Learning Disorders (315.0, 315.1, 315.2, 315.9)
4. Motor Skills Disorders (315.3)
5. Communication Disorders (315.31, 315.32, 315.39, 307.0, 307.9)
6. Substance Abuse Disorders
7. Mental Disorders Due to a General Medical Condition
8. Delirium, Dementia, Amnestic, and other Cognitive Disorders
9. Factitious Disorders
10. Feeding Disorders of Infancy or Childhood
11. Elimination Disorders
12. Sexual Dysfunctions
13. Sleep Disorders

*If a diagnosis listed above is the **ONLY** DSM (most current edition) diagnosis, the child/youth is ineligible for SEBD services. However, these diagnoses may and often do co-exist with other DSM diagnoses, which would not make the child/youth ineligible for SEBD services.

**Co-occurring diagnoses of Mental Retardation and Pervasive Developmental Disorders require close collaboration and coordination with

State of Hawai'i Department of Health (DOH) and State of Hawai'i Department of Education (DOE) services. The Health Plan, with CAMHD, is responsible for coordinating these services. These diagnoses may be subject to a forty-five (45) day limit on hospital-based residential services, after which utilization review and coordination of services with DOE need to occur.

CCS - Severe Mental Illness/Serious and Persistent Mental Illness (SMI/SPMI) Program for Members ≥18 Years Old

A) Eligible CCS Diagnoses:

1. Substance-Induced Psychosis:
    a. Alcohol-Induced Psychosis (F10.15x, F10.25x, F10.95)
    b. Opioid-Induced Psychosis (F11.15x, F11.25x, F11.95x)
    c. Cannabis-Induced Psychosis (F12.15x, F12.25x, F12.95x)
    d. Sedative-Induced Psychosis (F13.15x, F13.25x, F13.95x)
    e. Cocaine-Induced Psychosis (F14.15x, F14.25x, F14.95x)
    f. Other Stimulant-Induced Psychosis (F15.15x, F15.25x, F15.95x)
    g. Hallucinogen-Induced Psychosis (F16.15x, F16.25x, F16.95x)
    h. Inhalant-Induced Psychosis (F18.15x, F18.25x, F18.95x)
    i. Other Substance-Induced Psychosis (F19.15x, F19.25x, F19.95x)
2. PTSD (F43.1x)
3. Schizophrenia (F20.x, includes Schizophreniform disorder F20.81)
4. Schizoaffective Disorder (F25.x)
5. Delusional Disorder (F22)
6. Bipolar Disorder (F30.xx, F31.xx)
7. Major Depressive Disorder, Severe: (F32.3, F33.2, F33.3)

APPENDIX Q: Dental Services to Treat Medical Conditions

CDT Procedure Code	Description
D7340	Vestibuloplasty-ridge extension (secondary epithelialization)
D7350	Vestibuloplasty-ridge extension (including soft tissue grafts, muscle reattachment, revision of soft tissue attachment and management of hypertrophied and hyperplastic tissue)
	Excision of Intra-Osseous Lesions
D7440	Excision of malignant tumor – lesion diameter up to 1.25 cm
D7441	Excision of malignant tumor – lesion diameter over 1.25 cm
	Removal of Cysts and Neoplasms
D7450	Removal of benign odontogenic cyst or tumor lesion diameter up to 1.25 cm
D7451	Removal of benign odontogenic cyst or tumor lesion diameter over 1.25 cm
D7460	Removal of benign non-odontogenic cyst or tumor lesion diameter up to 1.25 cm
D7461	Removal of benign non-odontogenic cyst or tumor lesion diameter over 1.25 cm
D7465	Destruction of lesions by physical methods; electrosurgery, chemotherapy, cryotherapy or laser
	Excision of Bone Tissue
D7471	Removal of lateral exostosis – mandible or maxilla
D7472	Removal of torus palatinus
D7473	Removal of torus mandibularis
D7490	Radical resection of mandible or maxilla
	Surgical Incision
D7511	Incision and drainage of abscess-intra oral soft-tissue-complicated
D7520	Incision and drainage of abscess-extra oral soft tissue

APPENDIX Q: Dental Services to Treat Medical Conditions

CDT Procedure Code	Description
D7530	Removal of foreign body, skin, or subcutaneous alveolar tissue
D7540	Removal of reaction-producing foreign bodies, musculoskeletal system
D7550	Sequestrectomy for osteomyelitis
D7560	Maxillary sinusotomy for removal of tooth fragment or foreign body
	Treatment of Fractures - Simple
D7610	Maxilla – open reduction (teeth immobilized if present)
D7620	Maxilla – closed reduction (teeth immobilized if present)
D7630	Mandible – open reduction (teeth immobilized if present)
D7640	Mandible closed reduction (teeth immobilized if present)
D7650	Malar and/or zygomatic arch-open reduction
D7660	Malar and/or zygomatic arch-closed reduction
D7670	Alveolus – Closed reduction, may include stabilization of teeth, splinting
D7671	Alveolus – Open reduction, may include stabilization of teeth, splinting
D7680	Facial bones – complicated reduction with fixation and multiple surgical approaches
	Treatment of fractures - Compound
D7710	Maxilla – open reduction
D7720	Maxilla – closed reduction
D7730	Mandible – open reduction
D7740	Mandible – closed reduction
D7750	Malar and/or zygomatic arch-open reduction
D7760	Malar and/or zygomatic arch-closed reduction
D7770	Alveolus – open reduction stabilization of teeth
D7771	Alveolus – closed reduction stabilization of teeth

CDT Procedure Code	Description
D7780	Facial bones – complicated reduction with fixation and multiple surgical approaches
	Reduction of Dislocation and Management of Other Temporomandibular Joint Dysfunctions
D7810	Open reduction of dislocation
D7820	Closed reduction of dislocation
D7830	Manipulation under anesthesia
D7840	Condylectomy
D7850	Surgical discectomy, with/without implant
D7852	Disc repair
D7854	Synovectomy
D7856	Myotomy
D7858	Joint reconstruction
D7860	Arthrotomy
D7870	Arthrocentesis
D7872	Arthroscopy – diagnosis, with or without biopsy
D7873	Arthroscopy – surgical; lavage and lysis of adhesions
D7874	Arthroscopy – surgical; disc repositioning and stabilization
D7875	Arthroscopy – surgical; synovectomy
D7876	Arthroscopy – surgical; discectomy
D7877	Arthroscopy – surgical; debridement
D7880	Occlusal – orthotic devise, by report
	Other Oral Surgery – Repaid of Traumatic Wounds
D7910	Suture of recent small wounds up to 5 cm
D7911	Complicated suture up to 5 cm
D7912	Complicated suture over 5 cm
D7920	Skin grafts (identify defect covered, location and type graft)
	Other Repair Procedures
D7940	Osteoplasty for orthognathic deformities

APPENDIX Q: Dental Services to Treat Medical Conditions

CDT Procedure Code	Description
D7941	Osteotomy – mandibular rami
D7943	Osteotomy mandibular rami with bone graft; including obtaining the graft
D7944	Osteotomy, segmented or subapical, per sextant or quadrant
D7945	Osteotomy, body of mandible
D7946	Le Fort I (maxilla – total)
D7947	Le Fort I (maxilla – segmented)
D7948	Le Fort II or Le Fort III – (osteoplasty of facial bones for midface hypoplasia retrusion) without bone graft)
D7949	Le Fort II or Le Fort III – with bone graft
D7950	Osseous, osteoperiosteal, or cartilage graft of the mandible or maxilla – autogenous or nonautogenous
D7955	Repair of maxillofacial soft and hard tissue defects
D7980	Sialolithotomy
D7981	Excision of salivary glands, by report
D7982	Sialodochoplasty
D7983	Closure of salivary fistula
D7990	Emergency tracheotomy
D7990	Coronoidectomy
D7995	Synthetic graft – mandible or facial bones, by report
D7996	Implant – mandible for augmentation purposes (excluding alveolar ridge), by report
D7997	Appliance removal (not by dentist who replaced appliance), includes removal or arch bar
D7999	Unspecified oral surgery procedure, by report
	Adjunctive General Services
D9222	Deep Sedation/ General Anesthesia – first 15 minutes
D9223	Deep Sedation/ General Anesthesia – each subsequent 15 minute increment

APPENDIX Q: Dental Services to Treat Medical Conditions

CDT Procedure Code	Description
D9420	Hospital or Ambulatory Surgical Center Call (limitation: Confinement must be approved; only under Physician's request; no routine follow up visits)

Expiration date: 4/30/2022

CONSENT FOR STERILIZATION

NOTICE: YOUR DECISION AT ANY TIME NOT TO BE STERILIZED WILL NOT RESULT IN THE WITHDRAWAL OR WITHHOLDING OF ANY BENEFITS PROVIDED BY PROGRAMS OR PROJECTS RECEIVING FEDERAL FUNDS.

■ CONSENT TO STERILIZATION ■

I have asked for and received information about sterilization from _____ (*Doctor or Clinic*). When I first asked for the information, I was told that the decision to be sterilized is completely up to me. I was told that I could decide not to be sterilized. If I decide not to be sterilized, my decision will not affect my right to future care or treatment. I will not lose any help or benefits from programs receiving Federal funds, such as Temporary Assistance for Needy Families (TANF) or Medicaid that I am now getting or for which I may become eligible.

I UNDERSTAND THAT THE STERILIZATION MUST BE CONSIDERED PERMANENT AND NOT REVERSIBLE. I HAVE DECIDED THAT I DO NOT WANT TO BECOME PREGNANT, BEAR CHILDREN OR FATHER CHILDREN.

I was told about those temporary methods of birth control that are available and could be provided to me which will allow me to bear or father a child in the future. I have rejected these alternatives and chosen to be sterilized.

I understand that I will be sterilized by an operation known as a _____ (*Specify Type of Operation*). The discomforts, risks and benefits associated with the operation have been explained to me. All my questions have been answered to my satisfaction.

I understand that the operation will not be done until at least 30 days after I sign this form. I understand that I can change my mind at any time and that my decision at any time not to be sterilized will not result in the withholding of any benefits or medical services provided by federally funded programs.

I am at least 21 years of age and was born on: _____ (*Date*)

I, _____, hereby consent of my own free will to be sterilized by _____ (*Doctor or Clinic*) by a method called _____ (*Specify Type of Operation*). My consent expires 180 days from the date of my signature below.

I also consent to the release of this form and other medical records about the operation to:

Representatives of the Department of Health and Human Services, or Employees of programs or projects funded by the Department but only for determining if Federal laws were observed.

I have received a copy of this form.

_____ (*Signature*) _____ (*Date*)

You are requested to supply the following information, but it is not required: *(Ethnicity and Race Designation) (please check)*

Ethnicity:
- ☐ Hispanic or Latino
- ☐ Not Hispanic or Latino

Race (mark one or more):
- ☐ American Indian or Alaska Native
- ☐ Asian
- ☐ Black or African American
- ☐ Native Hawaiian or Other Pacific Islander
- ☐ White

■ INTERPRETER'S STATEMENT ■

If an interpreter is provided to assist the individual to be sterilized:

I have translated the information and advice presented orally to the individual to be sterilized by the person obtaining this consent. I have also read him/her the consent form in _____ language and explained its contents to him/her. To the best of my knowledge and belief he/she understood this explanation.

_____ (*Interpreter's Signature*) _____ (*Date*)

HHS-687 (04/22)

■ STATEMENT OF PERSON OBTAINING CONSENT ■

Before _____ (*Name of Individual*) signed the consent form, I explained to him/her the nature of sterilization operation _____ (*Specify Type of Operation*), the fact that it is intended to be a final and irreversible procedure and the discomforts, risks and benefits associated with it.

I counseled the individual to be sterilized that alternative methods of birth control are available which are temporary. I explained that sterilization is different because it is permanent. I informed the individual to be sterilized that his/her consent can be withdrawn at any time and that he/she will not lose any health services or any benefits provided by Federal funds.

To the best of my knowledge and belief the individual to be sterilized is at least 21 years old and appears mentally competent. He/She knowingly and voluntarily requested to be sterilized and appears to understand the nature and consequences of the procedure.

_____ (*Signature of Person Obtaining Consent*) _____ (*Date*)

_____ (*Facility*)

_____ (*Address*)

■ PHYSICIAN'S STATEMENT ■

Shortly before I performed a sterilization operation upon _____ (*Name of Individual*) on _____ (*Date of Sterilization*)

I explained to him/her the nature of the sterilization operation _____ (*Specify Type of Operation*), the fact that it is intended to be a final and irreversible procedure and the discomforts, risks and benefits associated with it.

I counseled the individual to be sterilized that alternative methods of birth control are available which are temporary. I explained that sterilization is different because it is permanent.

I informed the individual to be sterilized that his/her consent can be withdrawn at any time and that he/she will not lose any health services or benefits provided by Federal funds.

To the best of my knowledge and belief the individual to be sterilized is at least 21 years old and appears mentally competent. He/She knowingly and voluntarily requested to be sterilized and appeared to understand the nature and consequences of the procedure.

(**Instructions for use of alternative final paragraph**: Use the first paragraph below except in the case of premature delivery or emergency abdominal surgery where the sterilization is performed less than 30 days after the date of the individual's signature on the consent form. In those cases, the second paragraph below must be used. Cross out the paragraph which is not used.)

(1) At least 30 days have passed between the date of the individual's signature on this consent form and the date the sterilization was performed.

(2) This sterilization was performed less than 30 days but more than 72 hours after the date of the individual's signature on this consent form because of the following circumstances (check applicable box and fill in information requested):

- ☐ Premature delivery
  Individual's expected date of delivery: _____
- ☐ Emergency abdominal surgery *(describe circumstances)*:

_____

_____

_____ (*Physician's Signature*) _____ (*Date*)

PAPERWORK REDUCTION ACT STATEMENT

A Federal agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays the currently valid OMB control number. Public reporting burden for this collection of information will vary; however, we estimate an average of one hour per response, including for reviewing instructions, gathering and maintaining the necessary data, and disclosing the information. Send any comment regarding the burden estimate or any other aspect of this collection of information to the OS Reports Clearance Officer, ASBTF/Budget Room 503 HHH Building, 200 Independence Avenue, SW., Washington, DC 20201.

Respondents should be informed that the collection of information requested on this form is authorized by 42 CFR part 50, subpart B, relating to the sterilization of persons in federally assisted public health programs. The purpose of requesting this information is to ensure that individuals requesting sterilization receive information regarding the risks, benefits and consequences, and to assure the voluntary and informed consent of all persons undergoing sterilization procedures in federally assisted public health programs. Although not required, respondents are requested to supply information on their race and ethnicity. Failure to provide the other information requested on this consent form, and to sign this consent form, may result in an inability to receive sterilization procedures funded through federally assisted public health programs.

All information as to personal facts and circumstances obtained through this form will be held confidential, and not disclosed without the individual's consent, pursuant to any applicable confidentiality regulations. [43 FR 52165, Nov. 8, 1978, as amended at 58 FR 33343, June 17, 1993; 68 FR 12308, Mar. 14, 2003]

HHS-687 (04/22)

APPENDIX T: Medical Standard Records

A) As part of the record standards, the Health Plan will require that providers adhere to the following requirements:

1. All medical records are maintained in a detailed and comprehensive manner that conforms to good professional medical practice;
2. All medical records are maintained in a manner that permits effective professional medical review and medical audit processes;
3. All medical records are maintained in a manner that facilitates an adequate system for follow-up treatment;
4. All medical records will be legible, signed and dated;
5. Each page of the paper or electronic record includes the patient's name or ID number;
6. All medical records contain patient demographic information, including age, sex, address, home and work telephone numbers, marital status and employment, if applicable;
7. All medical records contain information on any adverse drug reactions and/or food or other allergies, or the absence of known allergies, which are posted in a prominent area on the medical record;
8. All forms or notes have a notation regarding follow-up care, calls or visits, when indicated;
9. All medical records contain the patient's past medical history that is easily identified and includes serious accidents, hospitalizations, operations and illnesses. For children, past medical history including prenatal care and birth;

10. All pediatric medical records include a complete immunization record or documentation that immunizations are up-to-date;
11. All medical records contain a history of screenings performed and the findings of those screenings, along with appropriate follow up actions, as needed, including counseling and interventions provided as well as referral actions taken;
12. All medical records include provisional and confirmed diagnosis(es);
13. All medical records contain medication information;
14. All medical records contain information on the identification of current problems (i.e., significant illnesses, medical conditions, and health maintenance concerns);
15. All medical records contain information about consultations, referrals, additional medical supports offered through health coordination, and specialist reports;
16. All medical records contain information about emergency care rendered with a discussion of requirements for physician follow-up;
17. All medical records contain discharge summaries for: (1) all hospital admissions that occur while the member is enrolled; and (2) prior admissions as appropriate;
18. All medical records for members eighteen (18) years of age or older include documentation as to whether or not the member has executed an advance directive, including an advance mental health care directive;
19. All medical records will contain written documentation of a rendered, ordered or prescribed service, including documentation of medical necessity; and

20. All medical records will contain documented patient visits, which includes, but is not limited to:
    a. A history and physical exam;
    b. Treatment plan, progress and changes in treatment plan;
    c. Laboratory and other studies ordered, as appropriate;
    d. Working diagnosis(es) consistent with findings;
    e. Treatment, therapies, and other prescribed regimens;
    f. Documentation concerning follow-up care, telephone calls, emails, other electronic communication, or visits, when indicated;
    g. Documentation reflecting that any unresolved concerns from previous visits are addressed in subsequent visits;
    h. Documentation of any referrals and results thereof, including evidence that the ordering physician has reviewed consultation, lab, x-ray, and other diagnostic test results/reports filed in the medical records and evidence that consultations and significantly abnormal lab and imaging study results specifically note physician follow-up plans;
    i. Hospitalizations and/or emergency department visits, if applicable; and
    j. All other aspects of patient care, including ancillary services.

APPENDIX U: Financial Responsibility Guideline for QI and CCS Health Plans

A) IP Facility:

1. If only billing BH rev codes, then CCS pays all.
2. If only billing medical rev codes with primary dx of BH, then CCS pays all.
3. If only billing medical rev codes with primary dx is medical, QI pays all.
4. If only billing medical rev codes with primary admitting dx of BH, but primary dx is medical, then QI pays all (i.e., metastatic cancer discovery).
5. If both BH and medical rev codes, but discharge dx is BH, then CCS pays. (overflow from Kekela)
6. If both BH and medical rev codes, then BH rev codes, then CCS should pay. QI pays for all other rev codes. Bill is split by day proportional.
7. Sample Scenarios in which CCS would be payor.
    a. Admitted for psychiatric care but requires infectious disease treatment/clearance for scabies or MRSA on medical floor. CCS is payor.
8. Sample Scenarios in which QI plan would be payor
    a. Admitted for obstetrical care and has concurrent psychiatric care.
    b. Admitted for psychiatric care but required surgical intervention. Surgery and follow up treatment QI payor.

B) OP Facility:

1. Based on ordering MD's specialty, either CCS or QI.

C) Professional:

1. Based on specialty, either CCS or QI.

D) Supportive Housing Services (SHS):

1. For eligible CCS members, CCS pays all SHS.

APPENDIX V: SBIRT Process to Treatment:

A) **Pre- Screening**: (A pre-screening may be administered by a delegate and the authorized provider is responsible for tallying the score).

1. Alcohol Use: *Audit C*
2. Drug Use: *Single-item drug screen question* "How many times in the past year have you used an illegal drug…"
3. Mental Health:
    a. *PHQ-2* inquiries about the frequency of depressed mood and anhedonia over the past two weeks. PHQ-2 is not an established diagnosis to monitor depression severity, but rather to screen for depression in a "first step" approach. Positive results will be further evaluated with a full screening of the PHQ-9.
    b. *GAD-2* is the item 2 form of the GAD-7. A score of greater than or equal to 2 is a positive pre-screen

B) **Full Screening**: Indicated for patients with a positive brief screen. Any evidence-based tools such as: AUDIT, DAST 10, and CRAFFT can be used to categorize the patient's substance use.

1. Alcohol: If positive on the AUDIT-C, *AUDIT s*creen is used. Responses in AUDIT can be used in your BI
2. Drug Use: If positive on the Single item drug Screening, *DAST-10* is used. Responses in *DAST 10* can be used in the BI
3. Both alcohol and/or drug use: *CAGE-AID* used for Adults; *CRAFFT* and *ASSIST* used for Children and Youth.
4. Mental Health:

a. If positive on the PHQ-2, then the PHQ-9 is used to determine whether they meet criteria for depressive disorder.

b. *GAD-7* is self-administered when the GAD-2 is positive. The GAD-7 has seven items, which measure severity of various signs of GAD (General Anxiety Disorder). Assessment is indicated by the total score, which is determined by adding together the scores of the 7 items.

C) **Brief intervention**: Performed after a full screen. A motivational conversation is held with the patient with the intent of eliciting and supporting healthy behavior change.

D) **Follow up**: Services that occur after initial intervention. Reassessment of patient's status, progress, and/or need for additional services.

1. The questions below are to be asked at a 6 month follow up after completing a SBRIT screening and member was found to need a Brief Intervention or Referral to Treatment.

   a. <u>Follow-up QUESTIONS</u> at six months follow a positive SBIRT and members need BI or RT.

1) Remind the patient of goals discussed during BI or RT and Assess steps/actions taken.

2) When you were here, we talked about your use of alcohol/drugs, and you set a goal to..... (e.g., consider cutting back, not drink and drive, etc.). Tell me about what you've done, any steps you've taken (if any) toward this goal?

3) YES, steps taken: (place information in member's medical record)

4) NO steps taken (place information in member's medical record)

5) Assess/Reaffirm commitment to the patient's goal.

b. Ask about commitment.

1) On a scale of 1-10, how committed are you to… (change)?

2) Why did you give it that number and not a lower number?

3) What would it take to raise that number? 1 – 2 – 3 – 4 – 5 – 6 – 7 – 8 – 9 – 10

4) Not at all Committed

5) Very Committed

6) Have you contacted your health plan or community resource for additional assistance in the last six months? Note type of provider/treatment if disclosed.

7) Contacted someone but didn't set an appointment

8) Set an appointment

9) Went to appointment

10) Offer 24/7 Referral Resource # for additional assistance, if needed.

11) Give positive feedback and encouragement to members.

E) **Referral to treatment**:

1. Indicated for patients who are likely to have substance use disorder (SUD) which requires more in-depth assessment and treatment.

F) **Who can bill for SBIRT:**

1. Per CMS, the current providers allowed to bill MQD are:

   a. Physicians (MDs),

   b. Physician Assistant (PA),

c. Nurse Practitioner (NP),

d. Clinical Nurse Specialist (CNS),

e. Clinical Psychologist (CP),

f. Clinical Social Worker (CSW),

g. Certified Nurse-Midwife (CNM),

h. Independently Practicing Psychologist (IPP)

i. Who are licensed, accredited, or a certified professional who meets the State requirements of a healthcare professional. The above-mentioned provider and/or his/her delegate may receive training. If the provider chooses to utilize a delegate, they are responsible to oversee and monitor delegate. In addition, they have voluntarily undergone SBIRT training provided by ADAD or have been grandfather into the program.

G) **Eligibility:**

1. *All Medicaid beneficiaries who are 12 years and older who are identified positive via the brief screen.

   a. Codes:

#	**SCREENING & BRIEF INTERVENTION**	**Procedure Codes for Screening**	**Diagnosis Codes for All Screens**

APPENDIX V: Screening, Brief Intervention, and referral (SBIRT) Process

1	**Positive** Screen (i.e. Alcohol and/or substance abuse structured screening with brief intervention and/or referral services)	CPT G0396/99408: Alcohol and/or substance abuse structured screening and brief intervention services; 15 to 30 minutes; CPT G0397/99409: Alcohol and/or substance use structured screening and brief intervention services; greater than 30 minutes	Z71.41 Alcohol abuse counseling and surveillance of alcohol user; and/or Z71.51 Drug abuse counseling and surveillance of drug user; and Additional diagnostic codes applied per clinician discretion
2	**Negative** Screen (i.e. Alcohol and/or substance use structured screening services **without** the need for BI/RT)	H0049: Alcohol and/ or drug screening	Z13.9 Encounter for screening, unspecified

2. *Please note that a modifier code may be added to ensure that there is alignment between the description and the code being used.

H) **What to do with Results:**

1. Positive:

   a. Brief intervention service and note on member's medical file

   b. Member names,

c. SBRIT Scoring,

d. Alcohol and Drug in use at the time of screening,

e. Member pregnant or breastfeeding, and

f. Services rendered

2. Negative:

a. Note within a medical record:

1) Date of Screening

2) SBRIT Scoring,

I) **Referral:**

1. Option 1: In house referral and information noted on member's medical file

a. Member name and confirm current contact information,

b. SBRIT Scoring,

c. Alcohol and Drug in use at the time of screening,

d. Member pregnant or breastfeeding, and

e. Treating Substance Abuse Program or Individual

2. Option 2: Hawaii Cares or MCO-Care Coordinator referrals – this should be done with a member present and no later than COB on the second day that the SBRIT was administered

a. Member names and confirm current contact information,

b. SBRIT Scoring,

c. Alcohol and Drug in use at the time of screening,

d. Member pregnant or breastfeeding, and

J) **Training Requirements:**

1. Class Information:

Class	Information
Tour of Motivational Interviewing	• 4 hours • Online, self-paced training can be accessed at any time (link below) • https://healtheknowledge.org/course/index.php?categoryid=53#TourOfMI
SBIRT 101	• 4 hours • Registration for course enrollment can be accessed online at: • https://psattcelearn.org/courses/4hr_sbirt/

K) **Initial Certification:**

1. Requirement for SBIRT Certification

   a. Participate take the 4-hour SBIRT 101 course, and

   b. Participate take the 4-hour Tour of Motivational Interviewing

L) **Re-Certification Requirement** for SBIRT Certification

1. Every person who has been certified on or before January 2020 will need to be re-certified by 12/30/22 utilizing ADAD approved program.
2. Participate take the 2-hour SBIRT, and
3. Participate take the 2-hour Tour of Motivational Interviewing

   a. Upon completion, a certificate will be generated to the participant. If you are a delegate, please include the name of the PCP you are representing. Upon obtaining your certification, you

should place items inside your locker

on https://adad.dialogedu.com/e-learning . Once ADAD confirms and verifies both certificates, the participant will be informed that they are officially a Hawaii SBIRT Provider. The certification will be valid for a two-year period. MQD will expect that provider, or their delegate will renew their certification by or before the end of the two-year period.

M) **SBIRT TRAINER:**

1. All SBIRT Train the Trainer programs have been suspended until further Notice.
2. At present time all in-person and virtual training done by an ADAD approved SBRIT Trainer or a Grandfather SBIRT trainer have been placed on hold. It's recommended that all providers and their use the ADAD-approved LMS system until further notice.

APPENDIX W: Health and Functional Assessment (HFA), Health Action Plan (HAP), and Personal Assistance and/or Nursing Tool (PANS)

Health and Functional Assessment (HFA) and Health Action Plan (HAP)

[Page Intentionally Left Blank]

STATE OF HAWAII
Personal Assistance Tool Instructions

A) ***The State recommends that this tool be formatted in Excel for calculation functionality.***

1. **Member Name**- Enter member's legal name (Last, First, Middle Initial). If member has no middle initial, leave blank.
2. **Degree of Assistance**- The assessor will determine the member's degree of assistance.
    a. *Independent*- No assistance, set up, or supervision.
    b. *Minimal*- Able to complete some tasks with assistance, includes oversight, encouragement or cueing, or supervision
    c. *Moderate*- Able to complete some of task but need assistance with most of task
    d. *Total*- Unable to complete tasks on own or needs assistance to complete the task
3. **Suggested Times (Minutes) -** The assessor will enter the minutes based on the Degree of Assistance. Refer to Table 1. Personal Assistance Guidelines for allocating hours. If the minutes exceed the maximum suggested minutes, please document reason in the Justification for Allocation of Hours.

Table 1. Personal Assistance Guidelines

TASKS	Degree of Assistance	
Personal Assistance Level 1		
Routine House Cleaning • Dusting • Cleaning up after personal care tasks (bathing, toileting, meal preparation, etc.) • Cleaning floors in living areas used by member • Cleaning counters, stovetop, washing dishes • Carrying out trash and setting out garbage for pickup • Emptying and cleaning bedside commode • Cleaning bathroom (floor, toilet, tub/shower, sink) • Changing bed linens • Making up bed	**Minimum**	*Lives alone:* Up to 120 minutes per week
		Lives with family or friends: Up to 60 minutes per week
	Moderate	*Lives alone:* Up to 180 minutes per week
		Lives with family or friends: Up to 120 minutes per week
	Total	*Lives alone:* Up to 240 minutes per week
		Lives with family or friends: Up to 180 minutes per week
Laundry • Gathering and sorting • Hand washing garments • Loading and unloading of washer or dryer in residence • Hanging clothes to dry • Folding and putting away clothes • Laundromat	Member has a washer and dryer : Up to 60 minutes per week Member has no washer and dryer but a Laundromat on premises: Up to 90 minutes per week Member has no washer and dryer and Laundromat is not within walking distance: Up to 120 minutes per week	
Shopping/Errands • Preparing shopping list • Grocery shopping • Picking up medication, medical supplies, or household items • Putting groceries away • Paying bills	Members that live alone: Up to 90 minutes per week Member that lives with family or friends: Up to 60 minutes per week	
Transportation/Escort • Transportation arrangements • Accompanying member to doctor's office, clinic or other trips made for the purpose of obtaining medical diagnosis or treatment. • Wait time at the doctor's office or clinic with a member when necessary due to member's condition and/or distance from home.	As needed. Member that live alone: Up to 90 minutes per week visit Member that lives with family or friends: Up to 90 minutes per week visit	
Meal Preparation • Meal planning • Preparing foods • Cooking full meal • Warming up prepared food • Cutting food for member • Serving food • Grinding and pureeing food	**Minimum**	Up to 10 minutes per meal
	Moderate	Up to 20 minutes per meal
	Total	Up to 30 minutes per meal

Other - List Other Personal Assistance Level 1 not listed above, e.g. light yard work, simple home repairs	As needed. Up to 60 minutes per week.	
Personal Assistance Level 2		
Eating/Feeding • Standby assistance and encouragement • Assistance with using eating or drinking utensils or adaptive devices • Spoon feeding • Bottle feeding	**Minimum**	Up to 5 minutes per meal
	Moderate	Up to 20 minutes per meal
	Total	Up to 30 minutes per meal
Bathing • Standby assistance • Drawing water in sink, tub or basin • Hauling/heating water • Gathering and setting up supplies • Assisting with transferred in/out of tub or shower • Sponge bath • Bed bath • Washing, rinsing, and toweling the body or body parts	**Minimum**	Up to 5 minutes per bath
	Moderate	Up to 30 minutes per bath
	Total	Up to 45 minutes per bath
Dressing (Upper and Lower Body) • Undressing • Dressing • Gathering and laying out clothes • Assisting with applying on and removing orthotics or prosthetic devices	**Minimum**	Up to 5 minutes per activity
	Moderate	Up to 20 minutes per activity
	Total	Up to 30 minutes per activity
Grooming/Personal Hygiene • Gathering and laying supplies • Oral care- brushing teeth, cleaning dentures • Shaving facial or body hair • Laying out supplies • Washing hair • Drying hair • Combing/brushing hair • Washing hands and face • Applying nonprescription lotion to skin	**Minimum**	Up to 5 minutes per task
	Moderate	*Female:* Up to 30 minutes per task
		Male: Up to 15 minutes per task
	Total	*Female :* Up to 45 minutes per task
		Male: Up to 30 minutes per task
Toileting (do not include transfer and ambulation) • Standby assistance • Assisting with clothing during toileting • Preparing toileting equipment and supplies • Assisting with feminine hygiene needs • Assisting with toilet hygiene such as use of toilet paper and hand washing • Assisting on/off bed pan • Assisting with urinal • Brief changes • Colostomy bag empty/change • External catheter change • Catheter bag empty/change	**Minimum**	Up to 10 minutes per activity
	Moderate	Up to 20 minutes per activity
	Total	Up to 30 minutes per activity
Ambulation • Assisting member in positioning for use of assistive devices • Standby assistance • Assisting with ambulation using steps • Assisting with ambulation indoors/outdoors	**Minimum**	Up to 5 minutes per activity
	Moderate	Up to 15 per activity
	Total	Up to 30 per activity
Bed Mobility/Transfers • Assisting/repositioning in Bed/Chair • Assisting Chair/Bed transfer • Assisting Toilet transfer • Assisting Car transfer • Hoyer lift transfer	**Minimum**	Up to 5 minutes per activity
	Moderate	Up to 15 per activity
	Total	Up to 30 per activity

Manual Wheelchair Mobility • Assisting Indoors/Outdoors	Up to 30 minutes per day
Medication Assistance • Medication reminding • Getting a glass of water • Bringing medication container to member • Opening medication container at request of member	Up to 15 minutes per day
Other – Other PA2 not listed above • Checking and reporting any equipment or supplies that need to be repaired or replenished. • Taking and recording vital signs, including blood pressure	Up to 30 minutes per day.

4. **Total Minutes of Care Required/Week**
    a. *Frequency/Day*- Enter how many times the member needs the skill done each *day*.
    b. *Minutes/Task*- Enter how many minutes it takes to do the skill each time.
    c. *Days/Week*- Enter how many days a skill is needed in a week. Most skills are done daily, but there may be something like an IM injection that may be done once or twice a week etc.
    d. *Total Minutes/Week*- Minutes will be added up and totaled at the end of column. This provides the assessor the ability to check that all minutes required per week are performed by either Support System or Health Plan Provider.
    e. *For example: A member needs assistance with meal preparation 3 times a day. It takes 10 minutes each time which will total 30 minutes required per day and total 210 minutes per week.*
5. **Total Minutes of Care Performed by Unpaid Support System/Week**
    a. *Frequency Per Day/Total Minutes Per Week*- The assessor will ask how many times a skill is done for the member by Support System which include care provided by family, friends, or other programs such as DDD, DOE etc. Enter how many minutes the member needs the skill done each *day* and place in the appropriate day of the week for each skill.
    b. *Total Minutes/Week*- Minutes will be added up and totaled at the end of column. This provides the assessor the total minutes per week that will be performed by the Support System.
    c. For example: Support System will provide assistance with meal preparation 2 times daily, 20 minutes per day, which total 140 minutes per week.
6. **Total Minutes of Care Performed by Health Plan Provider/Week**
    a. *Frequency Per Day/Total Minutes Per Week*- The assessor must calculate the Health Plan Provider frequency of skills each day and the total time based on all the information entered into the form.
    b. *Total Minutes/Week*- Minutes will be added up and totaled at the end of column. This provides the assessor the total minutes per week that will be performed by the Health Plan Provider.
    c. *For example: The Paid Caregiver will provide meal preparation 1 time daily, 10 minutes per day, which total 70 minutes per week.*
7. **Subtotal Skilled Minutes/Week**
    a. Total Minutes of Care Required/Week- Total time the skills take to perform per week.
    b. Total Minutes of Care Performed by Support System/Week- Total time the Support System performs per week.
    c. Total Minutes of Care Performed by Health Plan Provider/Week-Total time the Health Plan Provider will perform per week.
8. **Final Calculation of Hours**
    a. The assessor will recheck totals and then calculate total minutes to hours.

b. All fields will need to be populated:

Total Minutes of Care Required/Week
Total Minutes of Care Performed by Unpaid Support System/Week
Total Minutes of Care Performed by Health Plan Provider/Week
Total Hours of Care Performed by Health Plan Provider/Week
Total Hours of Care Performed by Health Plan Provider/Month (based on 7 Days/Week x 31 Days/Month)

9. **Justification for Allocation of Hours-** Provide reason the hours are more than the suggested times.
10. **Assessor Signature-** The assessor must print and sign tool to acknowledge that the appropriate hours have been allotted.
11. **Member/Authorized Representative Signature-** The member/authorized representative must print and sign tool to acknowledge that the appropriate hours have been allotted by the assessor.

Total Hours of Care Performed by Health Plan Provider/Month (based on 7Days/Week x 31Days/Month)	

Justification for Allocation of Hours:

Assessor Signature **Print Name/Title**

Member/Authorized Representative Signature **Print Name/Relationship to Member**

STATE OF HAWAII

Skilled Nursing Tool Instructions (Rev. 2/22/22)

A) The State recommends that this tool be formatted in Excel for calculation functionality.

1. **Member Name**: Enter member's legal name (Last, First, Middle Initial). If member has no middle initial, leave blank.
2. **Frequency/Complexity**: How often and complexity of skill.
3. **Suggested Times (Minutes)**: The assessor will enter the minutes based on the frequency and complexity of each skill. If the minutes exceed the maximum suggested minutes, please document reason in the Justification for Allocation of Hours.
4. **Total Minutes of Care Required/Week**
    a. *Frequency/Day*- Enter how many times the member needs the skill done each *day*.
    b. *Minutes/Task*- Enter how many minutes it takes to do the skill each time.
    c. *Days/Week*- Enter how many days a skill is needed in a week. Most skills are done daily, but there may be something like an IM injection that may be done once or twice a week etc.
    d. *Total Minutes/Week*- Minutes will be added up and totaled at the end of column. This provides the assessor the ability to check that all minutes required per week are performed by either Support System or Health Plan Provider.
    e. *For example: A member gets nebulizer treatments 3 times a day and it takes 10 minutes each time which will total 30 minutes required per day. Treatment orders are daily which total 210 minutes per week.*
5. **Total Minutes of Care Performed by Support System/Week**
    a. *Frequency Per Day/Total Minutes Per Week*- The assessor will ask how many times a skill is done for the member by Support System which include care provided by family, friends, or other programs such as DDD, DOE etc. Enter how many minutes the member needs the skill done each *day* and place in the appropriate day of the week for each skill.
    b. *Total Minutes/Week*- Minutes will be added up and totaled at the end of column. This provides the assessor the total minutes per week that will be performed by the Support System.
    c. *For example: Support System provides 2 nebulizer treatments daily, 20 minutes per day, which total 140 minutes per week.*
6. **Total Minutes of Care Performed by Health Plan Provider/Week**
    a. *Frequency Per Day/Total Minutes Per Week*- The assessor must calculate the Health Plan Provider frequency of skills each day and the total time based on all the information entered into the form.
    b. *Total Minutes/Week*- Minutes will be added up and totaled at the end of column. This provides the assessor the total minutes per week that will be performed by the Health Plan Provider.
    c. *For example: The Paid Caregiver will provide 1 nebulizer treatment daily, 10 minutes per day, which total 70 minutes per week.*
7. **Subtotal Skilled Minutes/Week:** The assessor will recheck totals and then calculate total minutes
8. **Final Calculation of Hours:** The assessor will recheck totals and then calculate total minutes to hours.
9. **Justification for Allocation of Hours:** Provide reason the hours are more than the suggested times.
10. **Assessor Signature:** The assessor must print and sign tool to acknowledge that the appropriate hours have been allotted.
11. **Member/Authorized Representative Signature:** The member/authorized representative must print and sign tool to acknowledge that the appropriate hours have been allotted by the Assessor.
