### **How do I apply for MSP?**

There are several ways to apply:

- If you apply or have applied for the Social Security Low Income Subsidy (LIS) assistance that pays for your Medicare Part D premium, the Social Security Administration (SSA) Office will automatically send your Medicare Savings Program application (*with your consent*) to the local Med-QUEST office. Contact SSA at 800-772-1213 or online at <http://www.SSA.gov>.
- Contact one of the Hawaii State Health Insurance Assistance Program (Hawaii SHIP) offices formerly known as Sage PLUS:

Oahu	808-586-7299
Toll Free	888-875-9229
TTY:	866-810-4379

## What is the Medicare Savings Program (MSP)?

If you have limited income and resources, the Medicare Savings Program may help pay for your Medicare premiums deductibles and co-insurance payments.

### State Programs that Can Save You Money

Hawaii offers the following four Medicare Savings Programs that can help with some of your Medicare costs. The table to your right explains what each program pays for based on your monthly income amount.

- Qualified Medicare Beneficiary (QMB)\*
- Specified Low-Income Medicare Beneficiary (SLMB)\*
- Qualifying Individual (QI)\*
- Qualified Disabled & Working Individuals (QDWI)

\*If you qualify for QMB, SLMB, or QI, you also automatically qualify for Low Income Subsidy assistance which will help pay for all or part of your Medicare Part D prescription drug coverage premium.

## How Do I Qualify for These Benefits?

If you can answer “YES” to the following 3 questions, you should apply for MSP assistance.

1. Are you entitled to or do you have Medicare Part A? (“entitled” means you are eligible for Part A but do not have it as you may not be able to pay for the premium)
2. Are your current resources for **2025** at or below **\*\$9,660** for an individual or **\*\$14,470** for a married couple? For each additional person in your household add **\$500** to the allowable resource limit.  
\*NOTE: The resource limits ARE NOT applicable for the Qualified Disabled & Working Individuals (QDWI) Program. The QDWI resource limits are **\$4,000** for an individual or **\$6,000** for a couple.
3. Is your income at or below the income limits on the table below?

Medicare Savings Program	Eligible Coverage	Monthly Income Limits * amount shown below is the net income after allowable deductions.		Other Requirement
