MEMORANDUM

MEMO NOS.

QI-1803

FFS 18-02

TO: Medicaid Certified Nursing Facilities

FROM:  Judy Mohr Peterson, PhD  
Med-QUEST Division Administrator

SUBJECT: MEDICAID CERTIFIED NURSING FACILITY CENSUS REPORTS (DHS 1137)

In collaboration with private and public stakeholders, the Med-QUEST Division (MQD) has successfully implemented the Web-based ePASRR application. As part of this implementation, the Medicaid Certified Nursing Facility Census Report was revised to simplify data submission requirements. This report will no longer require documentation of the level of care, level of care changes, and preadmission screening resident review (PASRR) information. Beginning in February 2018, these reports will be submitted through the ePASRR Web-based application. The revised census form and instructions can be obtained from the Hawaii EQRO Website: [www.myhawaiieqro.com](http://www.myhawaiieqro.com).

Nursing facilities are encouraged to attend one of the scheduled ePASRR Webinar training sessions stated on previous memo, QI-1732, FFS 17-13 on January 24-25, 2018 (Webinars) and/or the face-to-face trainings on Oahu on February 6-7, 2018 (see attached memo, QI-1802, FFS 18-01).
