MEMORANDUM

MEMO NOs.

QI-1825

FFS-1808

TO: QUEST Integration Health Plans

FROM:  Judy Mohr Peterson, PhD  
Med-QUEST Division Administrator

SUBJECT: SUSPENDED PROVIDER

The purpose of this memorandum is to inform the Health Plans that Dr. Chris Boulange, Medicaid Provider ID# 087812, has been suspended by Med-QUEST effective September 27, 2016. Although the provider's enrollment was suspended, Med-QUEST continued to receive pharmacy encounters with this Prescribing Provider ID. Med-QUEST is working to create a new encounter error code that will prevent the encounter from continued processing in our system, if the Prescribing Provider ID is not active.

Med-QUEST also wants to reiterate the importance of always verifying that a provider's enrollment is Active on the Provider Master Registry (PMR) file, including the Medicaid provider ID and the National Provider Identifier (NPI). Any provider suspended by Med-QUEST should not be performing medical treatments nor writing prescriptions.
