FROM: Judy Mohr Peterson, PhD
Med-QUEST Division Administrator

SUBJECT: QUEST INTEGRATION COVERAGE FOR OUR CARE, OUR CHOICE ACT (END OF LIFE CARE OPTION)

Effective January 1, 2019, Hawaii residents with a terminal illness and six (6) months or less to live can now voluntarily request medical aid-in-dying medication to end their life. Governor David Ige signed into law the “Our Care, Our Choice Act” (OCOCA) on April 5, 2018 (Act 2, Session Laws of Hawaii 2018).

The Hawaii Medicaid program will cover the medications of Medicaid recipients used for the purpose of the OCOCA under our Fee-For-Service program utilizing 100% State funds. The QUEST Integration (QI) health plans will be responsible to cover the required physician, counseling, and consulting visits under current capitation payments.

Only Food and Drug Administration (FDA) approved drugs will be reimbursed by the Med-QUEST Division (MQD). Unapproved drugs, including foreign-made versions of FDA-approved drugs that have not been manufactured pursuant to FDA approval, will not be reimbursed.
