MEMORANDUM

MEMO NO.
QI-2402

TO: QUEST Integration Health Plans

FROM: for Judy Mohr Peterson, PhD *JMP*
Med-QUEST Division Administrator

SUBJECT: MED-QUEST PHARMACY BENEFITS MANAGER (PBM) FILE AVAILABILITY

This memo is to inform health plans that MQD will begin making our PBM file available to you effective April 20, 2024 on a weekly basis. A PBM file will be generated every Sunday and placed on the MQD SFTP in the /shareinfo/Provider/prod/OUT folder.

The file will allow plans to update Medicaid providers pharmacy information weekly rather than waiting for the monthly PMR (Provider Master Registry) file, and reduce member issues with not being able to get prescriptions filled due to the QI health plan's system not having timely pharmacy information from MQD.

The PMR contains information on all providers registered as MQD providers, including demographics, address information, associated groups and specialties. For a list of the fields and their definitions under each record type in the PMR, refer to the HP Provider Manual: https://medquest.hawaii.gov/content/dam/formsanddocuments/resources/ProviderResources/health-plan-manual/HP_Provider_Manual_201807.pdf

Health plans shall use the PMR file to validate claims data related to providers.

The record layout for this PBM file is attached. MQD will inform QI health plans when a test PBM file is placed on the SFTP so you can download the file for your system testing.

Should you have any questions, please email the MQD Encounters mailbox at: mqd-encounters@dhs.hawaii.gov.

PBM Pharmacy Extract Mapping

File Layout

PBM Pharmacy Provider File Format – 80 Column Format:

File Header (T0)
