

MEDICAID PROVIDER EXCLUSION/REINSTATEMENT LIST

Updated 10/22/2019

FOR A COMPREHENSIVE LISTING OF THOSE INDIVIDUALS EXCLUDED FROM RECEIVING REIMBURSEMENT FOR PROVIDING MEDICARE AND MEDICAID SERVICES NATIONWIDE, SEE THE OFFICE OF INSPECTOR GENERAL'S WEBSITE, LIST OF EXCLUDED INDIVIDUALS/ENTITIES (LEIE), by following this link,

<http://oig.hhs.gov/fraud/exclusions.asp>

If someone is on the LEIE, they are not allowed to receive reimbursement for providing Medicare and Medicaid services in any capacity even if they are not on this listing by the Med-QUEST Division.

The list provides the last known provider type that the individual or business was at the time of exclusion; however, they are excluded from participating in providing services in the Medicaid program in **all** categories of service and in any capacity. The exclusion remains in effect until they are removed from this list.

Any provider participating or applying to participate in the Medicaid program must search Hawaii's excluded provider list monthly and the LEIE annually to determine if any existing employee or contractor has been excluded from participation in the Medicaid program. In addition, any provider participating or applying to participate in the Medicaid program must search both lists prior to hiring staff to ensure any potential employees or contractors have not been excluded from participating in the Medicaid program.

Newly added sanctioned providers are highlighted in yellow.
