Hawaii: Quality Monitoring & Quality Improvement Metrics in PASRR

August 30, 2017

Below is a table that represents what the PASRR Technical Center currently knows about the quality monitoring and quality improvement metrics collected by your state. Note that NI = "no information," meaning that PTAC does not know whether your state collects that specific measure. For an explanation of methodology, please see the 2016 National Report.

STATE: Hawaii REPORTING YEAR: 2016	Population		
Measure	**MI**	**ID/RC**	**Dual**
Level I Screen			
Total # of NF admissions statewide			
Total # of Level I's performed statewide	No	No	No
# of Level I's that were done prior to admission	No	No	No
# of Level I's that were done prior to admission	No	No	No
# of positive Level I's	No	No	No
% of Level I's testing positive	No	No	No
# of negative Level I's	No	No	No
% of Level I's testing negative	No	No	No
Exempted Hospital Discharges (EHDs)			
# of NF admissions	Yes	Yes	Yes
# of NF admissions under exempted hospital discharges (EHDs)	Yes	Yes	Yes
% of NF admissions under EHDs	Yes	Yes	Yes
# of EHDs with stays longer than 45 days	Yes	Yes	Yes
% of EHDs longer than 45 days	Yes	Yes	Yes
Level II			
Preadmission Evaluation (Preadmission Screens) – Level II evaluations			
# of preadmission screens (PAS) – Level II evaluations	Yes	Yes	Yes
# of PAS that were done prior to admission	Yes	Yes	Yes
% of PAS that were done prior to admission	No	No	No
# of positive PAS (i.e., finding of MI or ID/RC)	Yes	Yes	Yes
% of PAS leading to positive determinations	No	No	No
# of positive determinations that recommend Specialized Services	Yes	Yes	Yes
% of positive determinations that recommend Specialized Services	No	No	No
# of categorical determinations	No	No	No
% of categorical determinations	No	No	No

STATE: Hawaii REPORTING YEAR: 2016	Population		
Measure	MI	ID/RC	Dual
# of positive PAS recommending either community placement or any institutional placement	No	No	No
% of positive PAS recommending either community placement or any institutional placement	No	No	No
# of positive PAS recommending any institutional placement (NF, ICF/IID, or inpatient psychiatric)	Yes	Yes	Yes
% of positive PAS recommending any institutional placement (NF, ICF/IID, or inpatient psychiatric)	No	No	No
# of positive PAS recommending institutional placement (ICF/IID or inpatient psychiatric)	Yes	Yes	Yes
% of positive PAS recommending institutional placement (ICF/IID or inpatient psychiatric)	No	No	No
# of positive PAS recommending institutional placement (NF)	Yes	Yes	Yes
% of positive PAS recommending institutional placement (NF)	No	No	No
# of positive PAS recommending community placement	No	No	No
% of positive PAS recommending community placement	No	No	No
# of positive PAS leading to institutional placement (NF)	Yes	Yes	Yes
% of positive PAS leading to institutional placement (NF)	No	No	No
# of positive PAS leading to institutional placement (ICF/IID or inpatient psychiatric)	Yes	Yes	Yes
% of positive PAS leading to institutional placement (ICF/IID or inpatient psychiatric)	No	No	No
# of positive PAS leading to community placement	No	No	No
% of positive PAS leading to community placement	No	No	No
annual average time (days) between Level I and Level II PAS determination	Yes	Yes	Yes
Resident Review (RR) – Level II evaluations			
# of resident reviews (RR) – Level II evaluations	Yes	Yes	Yes
# of positive RR (i.e., finding of MI or ID/RC)	Yes	Yes	Yes
% of RR leading to positive determinations	Yes	Yes	Yes
# of negative RR (i.e., finding of no MI, no ID/RC)	Yes	Yes	Yes
% of RR leading to negative determinations	Yes	Yes	Yes
# of positive RR recommending continued NF placement	Yes	Yes	Yes
% of positive RR recommending continued NF placement	Yes	Yes	Yes
# of positive RR recommending community placement	No	No	No
% of positive RR recommending community placement	No	No	No
# of positive RR leading to continued NF placement	Yes	Yes	Yes
% of positive RR leading to continued NF placement	Yes	Yes	Yes
# of positive RR leading to community placement	No	No	No
% of positive RR leading to community placement	No	No	No

NI = No Information in PTAC's files
