\*Enrollment numbers continue to fluctuate for up to 6 months due to retroactive adjustments; enrollment numbers in the current report are accurate as of the report date.

**Legend**

**ABD** = Aged, Blind, or Disabled

**CHIP** = Children's Health Insurance Program

**COFA** = Compacts of Free Association

**Methodology**

**Managed Care**

Managed Care beneficiaries are calculated as the total number of beneficiaries with paid capitation for at least part of that month. One beneficiary may fall in mulitple programs, but this report identifies a beneficiary's primary program.

**Medicaid Only -- Fee-for-Service**

Fee-for-Service (FFS) beneficiaries are calculated as the total number of beneficiaries who were enrolled in FFS at any point during the month including the State of Hawaii Organ and Tissue Transplant (SHOTT) program or the Out of State Foster Care program. *This is a methodology change from 2023.*

**Medicaid Only -- Medicare Savings**

Medicare Savings beneficiaries are calculated as the total number of beneficiaries who were assigned to the Medicare Savings Eligibility groups for at least part of that month. This number does not include members who were enrolled in Managed Care at that same time.
