Billing with Confidence: Mastering SBIRT Reimbursement A Live, Interactive Webinar

November 29, 2023
11:00am – 12:00pm Hawai'i

Substance misuse and overdose deaths are increasing in Hawai'i. To better identify substance misuse early, prevent worsening, and provide interventions and treatment, **Med-QUEST**, along with our partner Health Management Associates, is providing an **online interactive session on Screening, Brief Intervention, and Referral to Treatment (SBIRT)**. SBIRT is an evidence-based practice that is reimbursable.

Providing valuable insights and strategies to assist in navigating the complex world of SBIRT reimbursement with ease. We will cover everything from understanding the necessary documentation to maximizing reimbursement rates for your SBIRT services.

Target audience: Social workers, Nurses, Physicians, Billing and Coding departments, counselors, SUD clinicians

Content level: Beginner

About the instructors

Jennifer Bridgeforth is a Senior Consultant from HMA with almost 20 years of experience within the healthcare industry including billing, coding, and revenue integrity. She earned a Master of Business Administration, Healthcare Administration, from South University and a Bachelor of Arts, Healthcare Administration, from Ashford University. Jennifer has a Pharmacy Technician Certification from the Pharmacy Technician Certification Board, a Professional Coder Certification from the American Academy of Professional Coders, and a Professional Medical Auditor Certification from the American Academy of Professional Coders, and a certification in healthcare compliance from the Health Care Compliance Association. Currently, Jennifer is a doctoral student at Franklin University in Columbus, Ohio. Due to her passion and extensive knowledge related to behavioral health and the current opioid PHE, her tentative dissertation topic is "Parental Opioid Abuse and Its Impact on Children."
