

Survey Analysis

State staff entered all the survey responses into Survey Monkey, analyzed the data, and sorted providers into categories of compliance. The My Choice My Way advisory group also recommended an average rating by percent compliance. Weight for each question was the same. Categories and average ratings are in a table below.

Provider Compliance Table															
Category 1	Category 2					Category 3					Category 4				
The setting fully (100%) aligns with the HCBS final rule.	The setting does not comply with the HCBS final rule, not a category 4 setting, and will require modifications.					The setting cannot meet the HCBS final rule and is not a HCBS setting.					The setting is presumed to have qualities of an institution and will undergo the CMS heighten scrutiny process.
