MEMORANDUM

ACS M12-03A

TO: All Fee-For-Service (FFS) Providers

FROM: ^{KS} Kenneth S. Fink, MD, MGA, MPH
Med-QUEST Division Administrator

SUBJECT: QUEST-ACE AND QUEST-NET ELIGIBILITY REDUCTION

The Med-QUEST Division (MQD) distributed a memo to service providers in late May 2012 describing benefits restoration and the continued implementation of eligibility reduction. As critical safety-net providers, I am sending a follow-up memo about the reduction in the income limit to 133% of the federal poverty level. This change becomes effective July 1, 2012 and will affect more than 10,000 adults currently enrolled in QUEST-ACE and QUEST-Net.

The current limited QUEST-ACE benefit package will be supplemented to provide the full QUEST-Adult benefit package. These program modifications will help reduce some of the strain on the safety-net.

MQD wants to take this opportunity to recognize the important role you play in maintaining the social safety-net, and to express our appreciation for your service to the community.
